3 THINGS TO KNOW THIS MONTH:

- (1) The Guided Pathways group is hosting a **spring retreat on January 18th, 2022**. We will plan our spring activities but also look at ways we can ensure that our GP work supports the college's equity goals.
- (2) **We need more student voices!** Students can contribute to our work by joining a workgroup, filling out a survey, or participating in a focus group. If you know of any students who are interested in improving how they, and their peers, experience college, please send them our way.
- (3) The Guided Pathways team will be hosting a session during **January's Professional Development Day (PDD)**. We will be exploring ways faculty can share curriculum and pedagogical practices and what might be the most beneficial completion team structure within CAPs. Look for us in the PDD schedule.
