GAVILAN JOINT COMMUNITY COLLEGE DISTRICT
Citizens' Oversight Committee Meeting
June 6, 2016 – 6:00 p.m.
Gavilan College
5055 Santa Teresa Boulevard, Gilroy, CA 95020
Child Development Center, Room 127

AGENDA

- I. CALL TO ORDER
 - 1. Roll Call and Introductions
- II. APPROVAL OF AGENDA
- III. CONSENT AGENDA
 - 1. Minutes January 25, 2016
- IV. COMMENTS FROM THE PUBLIC

This is a time for the public to address the Citizens' Oversight Committee (a maximum of five minutes will be allotted to each speaker)

V. INFORMATION ITEM(S)

- 1. Item(s) presented at board meetings for information or approval by the Board of Trustees: February 9, 2016
 - Measure E Bond Quarterly Financial Status Report as of December 31, 2015
 - Approval of an agreement with Storm Water Inspection and Maintenance Services, Inc. to provide QSP (Qualified Storm Water Pollution Prevention Plan Practitioner) services at the San Martin Airport Aviation Maintenance Technology Project
 - Gilbane Building Company Project Assignment Amendments
 - Approve an Agreement with the City of San Jose for construction of water transmission lines plus sanitary sewer & storm drainage connections serving the Coyote Valley Educational Center site. Also approve Resolution No. 1003 to authorize execution and delivery of a Quitclaim Deed to San Jose for the water extraction rights at the site
 - Approve a Conservation Easement Purchase Agreement with Mariposa Peak, LLC, as Mitigation for the Coyote Valley Educational Center Project

March 8, 2016

- San Benito County Education Center Site Development
- Approval of an agreement with Live Oak Associates, Inc. to prepare a CEQA Categorical Exemption for Gavilan College Athletic Fields Renovations Project
- Approval of an agreement with Consolidated Engineering Laboratories for the Coyote Valley Educational Center, Increment #1

Board of Trustees: Tom Breen

Laura A. Perry, Esq.

Kent Child Lois Locci Mark Dover Walt Glines

Jonathan Brusco Adrian Lopez, Student

- Approval of an agreement with Live Oak Associates, Inc. to prepare an Incidental Take Permit and related analyses required for the buildout of Coyote Valley Phase II Upgrade Project
- IBI Group Architecture and Planning Project Assignment Amendments

April 12, 2016

- Update on San Benito County Education Center Development Timeline
- Child Development Center Interior Renovations Project, Change Order #1
- Notice of Completion for the Child Development Center Interior Renovations Project
- IBI Group Architecture and Planning Project Assignment Amendment
- Special Inspector of Record Agreement with Consolidated Engineering Laboratories
- Geotechnical Service Agreement with Cornerstone Earth Group
- Project Inspector Service Agreement with Irick Inspection Services
- Consider and Accept Bid for the Coyote Valley Low Voltage Package
- Library, Student Center, & Theater Fire Alarm Replacement project Change Order #1
- Notice of Completion for the Library, Student Center, and Theater Fire Alarm Replacement Project
- Approval of an agreement with Live Oak Associates, Inc. for HCP compliance services at the Gavilan College Aviation Project at the San Martin South County Airport
- Notice of Completion for the Water Storage Tank, Distribution and Well Improvements

May 10, 2016

- Measure E. Bond Quarterly Financial Status Report at March 31, 2016
- Accept Bid for the Coyote Valley Off-Site Improvements Package

VI. DISCUSSION ITEM(S)

1. Update Measure E Activities

VII. <u>ACTION ITEM(s)</u>

1. Set Next Meeting Date(s)

VIII. CLOSING ITEMS

1. Adjournment

Please join us for a brief tour of the completed Child Development Center Renovation Project immediately following the meeting.

GAVILAN COLLEGE MISSION

Gavilan College cultivates learning and personal growth in students of all backgrounds and abilities through innovative practices in both traditional and emerging learning environments; transfer pathways, career and technical education, developmental education, and support services prepare students for success in a dynamic and multicultural world.

PUBLIC COMMENTS – Individuals wishing to address the Citizens' Oversight Committee (COC) on a non-agenda item may do so during the Comments from the Public. However, no action may be taken on an item, which is not on the agenda. The public is welcomed to address the COC on particular agenda items and may do so at the time it is presented. Guidelines for Comments from the Public will be as follows:

A maximum of 5 minutes will be allotted to each speaker with a maximum of 20 minutes to a subject area. No disruptive conduct will be permitted at any Gavilan College Citizens' Oversight Committee meeting.

AGENDA ITEMS – Individuals wishing to have an item appear on the agenda must submit the request in writing to the Superintendent/President two weeks prior to the meeting. The COC Chair and Superintendent/President will determine what items will be included in the agendas.

Items listed under the Consent Agenda are considered to be routine and are acted on by the COC as one motion. There is no discussion of these items prior to COC vote unless a member of the COC, staff, or public requests those specific items are discussed and/or removed from the Consent Agenda. It is understood that the Administration recommends approval on all consent items. Each item on the Consent Agenda approved by the COC shall be deemed to have been considered in full and adopted as recommended.

In compliance with the Americans with Disabilities Act, if you need special assistance to access the board meeting room or to otherwise participate at this meeting, including auxiliary aids or services, please contact Nancy Bailey at 408-848-4711. Notification at least 48 hours prior to the meeting will enable the District to make reasonable arrangements to ensure accessibility to the COC meeting.

Members of the public may inspect agenda documents distributed to the committee at the President's Office, SC130, during regular working hours, or at http://www.gavilan.edu/board/agenda.php

Please help keep Gavilan College a litter-free campus and preserve its park-like setting. Thank you.

Citizen's Oversight Committee January 25, 2016 NS Lounge, 6:00pm

MINUTES

The meeting was called to order at 6:00pm by Dr. Steven Kinsella. In attendance: Tim Day, Donna Bakich, Suzanne Bulle and Taha Khan (late arrival).

Minutes/Amendments to Agenda No amendments to agenda. (MSC) Bakich/Bulle to approve August 24, 2015 minutes as submitted; 3 ayes.

Comments from the Public None.

Information Items

Fred Harris provided an overview of the financial status reports as well as an update of current projects. He stated this is the time of year that we receive the Prop 39 financial and performance audits from Gilbert and Associates. The reports denote we were without findings in both internal control and expenditures for the audit year 14-15.

Tim Day queried the transfer funds for mitigation. Fred Harris provided an overview of the mitigation process to date and explained the Sobrato organization funded \$800,000 for the cost of mitigation for Coyote Valley. Once this was completed the District received partial payment. The condition/terms for the release of the rest of the funds require buildings to be placed on site. An update on the mitigation easements will be brought forward to the Board of Trustees in February 2016.

In response to a question regarding the current status of the modular buildings in Coyote Valley, Fred Harris responded we are in the process of bringing in dirt to raise the site above the flood level and also to stabilize the soil.

Discussion Items

Dr. Kinsella provided an overview of the balance of Measure E funds and how these will be spent, the MOU with the South Bay Regional Public Safety Training Consortium and affirmation of the college campus for San Benito County. The expenditure focus for the remaining Measure E funds will be on Coyote Valley, San Martin Airport and Physical Education. The South Bay Public Safety Training Consortium was created in 1994 in partnership with Evergreen Valley College; the Consortium is now being brought back to our location. Gavilan College will place a full college campus in San Benito County at the Fairview Corners location.

Action Items

The next meeting date is set for April 25, 2016, 6:00pm.

Closing Items
Meeting adjourned at 6:20pm.
(MSC) Bakich/Khan to adjourn; 4 ayes.

UI.2(i)

Proposal:

Authorize a Construction Agreement with the City of San Jose for water, sanitary sewer and storm drainage services at the Coyote Valley Educational Center site. Also, authorize Resolution No. 1003 to execute and deliver a Quitclaim Deed to San Jose for the water extraction rights at the site.

Background:

There is currently no domestic water service for the Coyote Valley Educational Center site. The District has considered obtaining water service to the Coyote Valley Center from the water utility organizations authorized to serve the Coyote Valley Center. The District has determined that the best interests of the District are served by contracting for Coyote Valley Center water service with San Jose Municipal Water, a department of the City of San Jose. San Jose Municipal Water does not presently have water transmission lines serving the Coyote Valley real property. In order for the District to obtain San Jose Municipal Water service, the District is required by San Jose Municipal Water to construct improvements consisting of water transmission lines serving the Coyote Valley real property pursuant to a Construction Agreement between the District and the City of San Jose. Completion of the water transmission line and other related improvements pursuant to the Construction Agreement is necessary to obtain San Jose Municipal Water service for the Coyote Valley Center. As a condition of receiving City of San Jose water, the District is required to execute a Quitclaim Deed for the water extraction rights on the property.

Budgetary Implications:

\$235,943 for Service and Impact fees to connect to the City of San Jose's municipal water supply, storm drainage and sanitary sewer systems. These are one-time fees and will cover all such costs through Phase 2 build out of the site.

GAVILAN JOINT COMMUNITY COLLEGE DISTRICT RESOLUTION NO. 1003

RESOLUTION AUTHORIZING EXECUTION AND DELIVERY OF QUITCLAIM DEED TO SAN JOSE MUNICIPAL WATER FOR COYOTE VALLEY WATER EXTRACTION RIGHTS

WHEREAS, there is presently no domestic water service serving the District's Coyote Valley. Center.

WHEREAS, the District has determined that the best interests of the District and the Coyote Valley Center are served by contracting with San Jose Municipal Water, a department of the City of San Jose, to provide domestic water service to the Coyote Valley Center.

WHEREAS, in order to obtain domestic water service from San Jose Municipal Water, the District is required to enter into a Construction Agreement with the City of San Jose to construct and install certain water transmission lines serving the Coyote Valley Center real property.

WHEREAS, the District's Board of Trustees has authorized the District's Superintendent/President to execute the Construction Agreement on behalf of the District.

WHEREAS, the terms and conditions of the Construction Agreement require the District to execute and deliver a Quitclaim Deed to the City of San Jose conveying the right to extract water from the Coyote Valley Center real property to San Jose Municipal Water but without the right of the City of San Jose or San Jose Municipal Water to enter upon the Coyote Valley Center real property to extract water pursuant to the Quitclaim Deed.

WHEREAS, A copy of the Quitclaim Deed is attached hereto as Exhibit "A."

NOW, THEREFORE, BE IT RESOLVED that the Governing Board of Gavilan Joint Community College District hereby adopts the following Resolutions:

RESOLVED, that the best interests of the District are served by obtaining domestic water service for the Coyote Valley Center from San Jose Municipal Water.

FURTHER RESOLVED, that the District's Superintendent/President or such District employee as he may designate are authorized to execute the Quitclaim Deed and deliver the executed Quitclaim Deed to the City of San Jose.

PASSED AND ADOPTED by the Governing Board of the Gavilan Joint Community College District in Gilroy, California, this 9th day of February 2016, by the following vote:

,	SUBJ	ECT: Approve a Conservat LLC, as Mitigation for	on Easement Purchase Agreement with Mariposa Peak, the Coyote Valley Educational Center Project
		Resolution: BE IT RESOLVI	ED, that Resolution No. be approved.
		Information Only	
	Χ	Action Item	

Proposal:

That the Board of Trustees of Gavilan Joint Community College District ("District") consider and approve a Conservation Easement Purchase Agreement with Mariposa Peak, LLC.

Background:

The District's Coyote Valley Educational Center project ("Project") involves the development of an approximately 55-acre campus ("Project Area") located in south San Jose on the south side of Balley Avenue between the Santa Cruz Mountains and Fisher Creek. When fully built out, the proposed campus would serve approximately 10,000 full-time equivalent students. The Project may have impacts to land that is potential habitat for California Tiger Salamanders and/or other species protected under state or federal law.

Phase 1 of the Project involved the disturbance of approximately 15 acres of the Project Area. The potential impacts of Phase 1 have been mitigated through the District's participation in the Santa Clara Valley Habitat Conservation Plan ("HCP"). It appears unlikely whether the District will have the opportunity to mitigate Phase 2 of the Project in the same manner. Thus, to mitigate the potential impacts of Phase 2, the District will need to acquire a conservation and open space easement or deed restriction that will permanently control the development of an approximately 120-acre parcel of land.

On December 2, 2011, the District entered into an Option Agreement with Mariposa Peak, LLC (the "Option Agreement"), pursuant to which Mariposa Peak granted the District an option to acquire a conservation easement encumbering up to 165 acres of land, for a purchase price of \$5,666.67 per acre. The Option Agreement was set to expire on December 31, 2014. However, through a series of amendments, the date was extended so that the option currently expires on March 1, 2016. To date, the District has paid over the years \$130,000 in option consideration.

Pursuant to the proposed Conservation Easement Purchase Agreement, the District would purchase a conservation easement of at least 120 acres for \$3,500 per acre. This results in a price reduction of approximately \$2,166.67 per acre compared to the existing Option Agreement. In exchange, the \$130,000 of option consideration previously paid to Mariposa Peak would be retained by Mariposa Peak, and none of that previously-paid amount would be carried over or applicable to the purchase price for the conservation easement.

APPROVED BY THE BOARD OF TRUSTLEY

DATE 219 (14)

Washing

The entire amount of the purchase price would be due up front, who recording a Memorandum of Agreement with the County Recorder for the County of Santa Clara. The transaction would close and the conservation easement would be recorded once the form of the easement is approved by the wildlife agencies. Also, if the District is ultimately able to participate in the HCP for Phase 2 of the Project, the District would hold the rights to the conservation easement such that those rights could potentially be sold to another party needing conservation easement land.

Budgetary Implications:

The proposed cost of the Conservation Easement is \$3,500 per acre, for a total of approximately \$420,000 funded from Measure E for a 120-acre easement.

SUBJECT: San Benito County Education Center Site Development

Resolution: BE IT RESOLVED,

X Information Only

Action Item

Proposal:

That the Board of Trustees receive information about phasing options available to it in the development of educational facilities in San Benito County.

Background:

San Benito Junior College was established in 1919. In the early 1960's Gavilan Joint Community College District was established to succeed San Benito Junior College by expanding its service territory from San Benito County to include a portion of Santa Clara County that extended north to Bernal Road in San Jose. The main campus was built in the geographic center of the district's service area in Gilroy.

In 2006, the college purchased land in Coyote Valley for use as a permanent fixed site where students would receive instruction through Gavilan College. The site is 55 acres with Phase 1 currently under construction. Phase 2 of Coyote Valley development is years in the future. The immediate focus of effort now shifts to San Benito while Coyote Valley continues its development path. Existing enrollment will allow Gavilan to apply for state construction funding at the Coyote Valley site. The population of Morgan Hill was approximately 42,000 residents in 2013. San Jose's population is just shy of 1 million residents. The Coyote Valley site is strategically located to serve two of Gavilan's highest population areas.

In 2008, the College purchased land in San Benito County for use as a permanent site where students would receive instruction through Gavilan College. The site is 80 acres and untouchable until habitat clearances are received. Habitat clearance approval is expected to be received in 2016. Once habitat clearance is in hand, the college will be able to build subject to available funding.

State construction funding in 2016 for Educational Centers requires colleges establish their own educational sites and build enrollment to demonstrate demand for a state supported facility exists. State funding requires 500 Full Time Equivalent Enrollment be generated at a location before it will be considered for state construction funds. Receipt of annual state operating support of \$1 million a year is available to the college when enrollment reaches 1,000 Full Time

Equivalent Students (FTES) at any site. Coyote Valley will reach the state construction funding eligibility threshold on the day it opens.

In 2015, Gavilan College generated about 250 FTES at the Briggs building in San Benito County. The college has widely announced its need and interest in adding facilities in San Benito County where courses could be offered. Those facilities are sought to accommodate additional enrollment in San Benito County as the population continues to expand. That is a future need and not one that exists as of the writing of this agenda item in March 2016. Enrollment has actually softened in San Benito County as the economy continues to entice students out of the classroom and into the workplace.

Over time the economy will again soften and the college needs to be prepared to accommodate that demand when it returns. Enrollment in San Benito County peaked at 350 FTES in the heart of the Great Recession.

Additional Factors to Consider:

The City of Hollister has been gracious in its assistance in helping the college find an additional site to expand course offerings. Staff's current best estimate is that the college will need facilities in place close to 2018/2019 should another softening in the workforce suddenly spike demand for Gavilan courses. The City of Hollister currently controls a site commonly referred to as Leatherback. It has entered into an exclusive negotiating agreement with a local developer to construct a facility on the city's property. The cost of capital for the city project has not been identified to the college and as a result the conversations are not progressing. The cost of capital is typically factored in the cost of the rent and repaid over the course of the lease.

A second city and county initiative being discussed is a TEL Center where the city and county would provide library and technology access to residents. Gavilan is being encouraged to participate in the planning of that effort as it is discussed.

In each of the two existing community conversations Gavilan is sought as a partner. The Leatherback site would use rent dollars to offset project costs. The rent amount has not been determined. The college currently pays \$1.30 a sq. ft. and has indicated that is the most the college would offer as rent to expand course offerings. The college receives no separate funding to pay for rent and that cost has to be paid out of the same funds used to provide educational offerings and services.

Staging Options Available:

The college owns land at Fairview Corners. It will be ready for use as soon as the habitat clearances are obtained. Once habitat is cleared the 80 acre site can be used to build transitional or temporary space that can be the initial footprint of the new Gavilan site. The building can be as large or as small as available capital allows. The college has the ability to borrow funds at municipal agency interest rates and has access to capital when it can afford to repay the cost. A few options to consider include:

- On college land, consider use of a developer to construct a building and lease it back to the college as a lease back. The college pays for the cost of construction through the lease back and owns the property at the end of the lease. The building would be the property leased in this situation as it would be placed on college land.
- 2. On college land, borrow sufficient funds to construction 25,000 sq. ft. of space. The college has the financial strength and independent legal ability to borrow funds on its own and does not need third party financing. The college borrows using favored tax treatment municipal bonds that offer lower interest rates than those available in the commercial market.

- 3. Offer the city and county the opportunity to partner with Gavilan College when the college builds its library. The facility will be on the college campus and will be open to the public but the college is focused on the academic and research needs of faculty and students who will attend the college. A community library has different needs but there is no reason why there needs to be two separate public libraries unless that works best for the community.
- 4. Other public service facilities can be offered in partnership with Gavilan College. The natural alignment is along education and higher education although other community public benefit services may be available through Gavilan's site once opened in San Benito County.

	Phase II
	Resolution: BE IT RESOLVED,
	Information Only
V	Action Item

Proposal:

That the Board of Trustees approves a service agreement with Live Oak Associates, Inc. for an amount not to exceed \$27,500 to prepare "take" permits for the buildout of Coyote Valley Phase II from the US Fish and Wildlife Service and from the California Department of Fish and Wildlife (CDFW), and to prepare a PAR (Public Record Analysis) for planning purposes on what the endowments will likely cost for the lands being preserved at Mariposa Peak for this project.

Background:

Phase 1 for the Coyote Valley Educational Center project includes five modular buildings on 55 acres at 560 Bailey Road in Coyote Valley. An Environmental Impact Report was completed in 2008, and the Participating Special Entity Application for inclusion into the Habitat Conservation Plan (HCP) was approved by the Santa Clara Valley Habitat Agency in May 2015.

The District was advised in a letter dated January 14, 2016 from CDFW that instead of receiving further take authorization under the HCP for Coyote Valley Phase II, future development of that site will require a new Incidental Take Permit application to address the habitat mitigation for impacts of Phase II on endangered or protected species, including the Tiger Salamander. By the time of this meeting, the district will have finalized a purchase agreement with Mariposa Peak, LLC for an open space/conservation easement at Mariposa Peak Ranch to satisfy this requirement.

District wishes to contract with Live Oak Associates, Inc. to prepare the required "take" permits, and to prepare a Public Record Analysis for planning purposes on what the endowments will likely cost for the lands being preserved at Mariposa Peak for this project.

Budgetary implications:

Effective use of Measure E Bond Program Funds.

Administrative Services

SUBJECT: IBI Group Architecture and Planning Project Assignment Amendments		
	Resolution:	BE IT RESOLVED,

X Action Item

Information Only

Proposal:

That the Board of Trustees approves IBI Group Architects and Planning Project Assignment Amendment (PAA) for the two (2) projects listed below.

Background:

On July 12, 2011, the Board ratified an On-Going Architectural Services Agreement with BFGC-IBI (now IBI Group) Architecture and Planning. The Architectural Services Agreement stipulates that for each individual district project, a separate PAA will be established.

PAA1 for Gavilan Aviation Relocation to San Martin (South County) Airport: Increase fees by \$8,600

On March 10, 2015 the Board approved a PAA with IBI for \$229,000 to provide basic services to prepare preliminary plans, working drawings, DSA approval, Bidding and Construction Support services for this project. On January 12, 2016 the board approved the lowest responsible and responsive bid from Seward L. Schreder Construction, Inc. in the amount of \$2,900,800, which exceeded the budget for the project. Since other potential bidders were close to that amount, the district accepted the bid, and value engineered the project down to create \$155,000 in savings.

As a result of that value engineering, IBI completed the following additional tasks, which resulted in the proposed \$8,600 increase in their architectural, civil and electrical engineering fees:

- Delete the permanent concrete foundations for the portable buildings. Revise the concrete walk to accommodate the drop in pad elevation and incorporate a continuous perimeter vent.
- Revise the Grading Plan for shimming the portable buildings off a level aggregate pad and set flush with the top of walk.
- Modify the storm drain system to add drains under the portable buildings.
- Remove partition wall in Buildings Band C, revise Floor Plan, schedules, RCP, Electrical Lighting Plan, Power/Signal Plan, and Fire Alarm Plan for removed wall.
- Revise the Fire Alarm Riser Diagram and revise calculations for deleted devices.

Revise plumbing plan for removal of sink in the Computer Area.

· Issue CCD including sketches for DSA approval.

Results in an increased fee of \$8,600 from \$229,000 to \$237,600.

PAA2 for 2016 Year 3 Prop 39 Energy Retrofit Projects: \$20,000

- Scope of work includes replacement of two 15+ year old Chillers in the Health Occupations Building and Theater that are non-functional and/or beyond their useful life.
- Basic services include consultation, design, construction documents, and construction administration coordination with District's consultants NAM, equipment vendors.
- Basic service fees \$20,000 from Proposition 39 funds.

Budgetary Implications:

The efficient use of Measure E Bond Program and state Proposition 39 Energy Efficiency funds.

Follow Up/Outcome:

Process the agreements.

Proposal:

Action Item

That the Board of Trustees receive information about the estimated costs and timelines to develop Phase 1 educational facilities at the Fairview Corners site in San Benito County.

Background:

Phase 1 educational facilities at the Fairview Corners site already owned by the District would be the first step in the construction of a comprehensive higher education campus to serve the residents of the Hollister area and San Benito County. The area is experiencing rapid population growth and development. The proposed project consists of 25,700 assigned square feet of instructional and support space. It also includes the site development necessary to implement this first phase of construction.

	Estimated Total Phase 1 Costs	\$ 31 million
d.	Furniture and Equipment	\$ 2 million
d.	Modular Buildings	\$ 22 million
c.	Off-Site Work (Gavilan share for Entrance Road, etc.)	\$ 2 million
b.	On-Site Work (Soils, Water, Sewer, Power)	\$ 3 million
a.	Preliminary Plans and Working Drawings	\$ 2 million

SUBJECT: Child Development C	Center Interior Renovations Project, Change Order #1
Resolution: BE IT RESOL	_VED,
Information Only	
X Action Item	

Proposal:

That the Board of Trustees authorizes the first and final Capital Project change order request for the Child Development Center Interior Renovations Project. Change Order #1 is \$12,735.73. Original Agreement to Calstate Construction was \$288,999. Total Construction Cost including Change Order #1 is \$301,734.73.

Background:

Public Contract Code § 20659 provides that if any change of a contract is ordered by the governing board of a community college district, such change shall be specified in writing and the cost agreed upon between the governing board and the contractor, and further provides that the board may authorize the contractor to proceed with performance of this change without the formality of securing bids, if the cost so agreed upon does not exceed ten percent of the original contract price. The following Change Order (CO) request has been submitted:

Child Development Center Interior Renovations Project

Calstate Construction, CO #1 for \$12,735. A detailed Change Order #1 table is attached for this project.

There is a total of 1 change order for this project totaling \$12,735.73. The initial estimate for all the change orders totaled \$15,018 but after thoroughly reviewing and successfully negotiating with the contractor that amount was reduced by \$2,282.27.

The change order was a direct result of the changing the scope of work to delete the fence and gate portion of the project, then revised the site work to include removal of rubber play surface in walkway, remove permanent pergola, clear weeds at sand area, provide and install weed barrier, pour 3" of aggregate ground cover, add 1 sheet vinyl in Unisex Restroom.

Budgetary Implications:

The efficient use of Measure E Funds.

Follow Up/Outcome:

Upon Board approval, the change order will be issued to the contractor.

SUBJECT: IBI	Group	Architecture	and	Planning	Project	Assignment	Amendment

	Resolution: BE IT RESOLVED
	Information Only
Х	Action Item

Proposal:

That the Board of Trustees approves IBI Group Architects and Planning Project Assignment Amendment (PAA) for a Fire Prevention Consultant to prepare the drawings for a temporary fire tank system at the Coyote Valley Educational Center site.

Background:

On July 12, 2011, the Board ratified an On-Going Architectural Services Agreement with BFGC-IBI (now IBI Group) Architecture and Planning. The Architectural Services Agreement stipulates that for each individual district project, a separate PAA will be established.

In order to protect the project and to keep the entire Phase 1 Coyote Valley Educational Center project on schedule, temporary water storage is required to be provided on site for approximately 3 months while and after the modular buildings are installed and before the actual connections to the city water source are made. Per this PAA, IBI will secure the services of fire prevention consultant Axiom Engineers to prepare the drawings for a temporary fire tank system at the Coyote Valley Educational Center site.

The scope of work for the Fire Prevention Consultant includes:

- Determining the required water supply storage requirements in accordance with NFPA 1142 Standard on Water Supplies for Suburban and Rural Fire Fighting.
- Temporary water storage to protect new 8,640 square foot type V-B Building A, 3,840 square foot type V-B Building B, 6,240 square foot type V-B Building C, 6,240 square foot type V-B Building D, and 6,240 square foot type V-B Building E for approximately 3 months until new municipal water supply and private underground fire service shown on the Increment #1 Civil drawings are available to the site.
- Specification of NFPA 1142 compliant water storage tank(s).
- One (1) meeting with San Jose Fire Marshal for review of proposed Temporary Fire Water Storage Design.
- Response to San Jose Fire Marshal comments and corrections to proposed Temporary Fire Water Storage Design as required to obtain approval.
- Basic service fees of \$8,500 from Measure E bond funds.

Budgetary Implications: The efficient use of Measure E Bond Program funds.

Follow Up/Outcome:

Process the agreements.

Administrative Services Consent Agenda Item No. Information/Staff Reports No. Discussion Item No. Old Business Agenda Item No. New Business Agenda Item No. III.2 (I) SUBJECT: Consider and Accept Bid for the Coyote Valley Low Voltage Package Resolution: BE IT RESOLVED. Information Only X Action Item Proposal: That the Board of Trustees considers and accepts the bid from Commercial Plumbing & Building, Inc. for the Coyote Valley Educational Center Low Voltage Package. Background The bid for this low voltage (telecom, voice, data & fire alarm) project closed on March 29, 2016. A total of one (1) contractor participated in the bidding process. The apparent lowest responsible and responsive bidder has been identified as Commercial Plumbing & Building, Inc. in the amount of \$337,800. Unfortunately, this contract is not large enough to attract more bidders during the summer when contractors are already booked and are too busy. The original cost estimate for this work was budgeted at \$600,000, so this bid response is at a fair price. If we delay this project to get more bids, we will jeopardize the start of school. Attached is a letter providing a bid analysis from Gilbane, the construction managers, dated March 31, 2016. The letter includes a bid tabulation form. **Budgetary Implications:** The efficient use of Measure E Funds. Follow Up/Outcome: Upon Board approval, issue a Notice-to-Proceed and contract. Recommended By: Frederick E. Harris, Vice President of Administrative Services Prepared By: FrederickyE. Harris, Vice President of Administrative Services Agenda Approval: Dr. Steven M. Kinsella, Superintendent/ President

Mr. Frederick E. Harris Vice President of Administrative Services Gavilan Joint Community College District 5055 Santa Teresa Boulevard Gilroy, CA 95020

Re: Bid Analysis

Coyote Valley Off-Site Improvements Package Gavilan Joint Community College District

Dear Frederick:

We are pleased to provide our analysis of the bid results for the above referenced project.

Gilbane reviewed the apparent low bidder's, Pacific Underground Construction, Inc., bid and determined that they submitted a responsive bid and appear to be a responsible bidder. Pacific Underground Construction, Inc. confirmed their base bid amount of \$1,370,938 and stated they would honor it.

Please refer to our analysis and findings below for more detail.

Bid Analysis

The following items were considered in our bid analysis:

- 1. Comparative Pricing
- 2. Bond Review
- 3. Company History & Experience
- 4. Bid Form Review
- 5. Reference Check
- 6. Contractor License Check

1. Comparative Pricing (See attached Bid Tabulation Form)

A.	Budget	\$1,500,000
В.	Low Responsive Bid	\$1,370,938
C.	Average Bid	\$1,370,938
D.	High Bid	\$1,370,938
E.	Number of Contractors Contacted	22
F.	Number of Plan Holders	22
G.	Number of Potential Bidders	5
H.	Number of Bidders	1

Bid Analysis Coyote Valley Increment #2 Low Voltage Package 3/31/2016 Page 2

2. Bond Review

A. Contractor's Bid Bond
Commercial Plumbing & Building, Inc. has provided a Bid Bond in the required amount of 10% of their bid amount. The surety is Contractors Bonding and Insurance Company of Illinois. Their address is 9025 N.

Lindbergh Dr., Peoria, Illinois, 61615. The contact number is (949) 341-

9110.

B. Contractor's License Bond

All California contractors are required to file a bond with the State in the amount of \$12,500. The bond number is 100092860 and the effective date is 1/1/16 with American Contractors Indemnity Company. Their address is 601 S. Figueroa St. Suite 1600, Los Angeles, California, 90017-5721.

3. Company History & Experience

Commercial Plumbing & Building, Inc. has been in business since 2000. Commercial Plumbing & Building, Inc. is familiar with the Division of State Architect (DSA). Commercial Plumbing & Building, Inc. has worked with numerous K-12 schools throughout the bay area. To name a few are Pajaro Valley Unified School District, Las Lomitas School District, and Franklin-McKinley School District.

4. Bid Form Review

A.	Contractor's Proposal Form	No Exception Taken
B.	Bid Pricing	No Exception Taken
C.	Addenda Acknowledgement	No Exception Taken
D.	Contractor's License Information	No Exception Taken
E.	Subcontractor's List	No Exception Taken
F.	Non-Collusion Affidavit	No Exception Taken
G.	Bid Security	No Exception Taken

5. Reference Check

A. Franklin-McKinley School District – The director of maintenance and auxiliary Veronica Lanto at Franklin-McKinley School District stated Commercial Plumbing & Building, Inc. has performed a couple of projects successfully for them. These projects varied in size. Veronica mentioned that they were cooperative and team oriented and had minimal problems with budget or schedule. Veronica said Commercial Plumbing & Building, Inc. work quality was great. Veronica said she recommends Commercial Plumbing & Building, Inc. for the Coyote Valley Increment #2 Low Voltage Package Project.

SUBJECT: Library, Student Center, & Theater Fire Alarm Replacement project Change Order #1

Resolution: BE IT RESOLVED,

Information Only

Proposal:

Action Item

X

That the Board of Trustees authorize a capital project change order request totaling \$44,298 for the Library, Student Center & Theater Fire Alarm Replacement Project.

Background:

Public Contract Code § 20659 provides that if any change of a contract is ordered by the governing board of a community college district, such change shall be specified in writing and the cost agreed upon between the governing board and the contractor, and further provides that the board may authorize the contractor to proceed with performance of this change without the formality of securing bids, if the cost so agreed upon does not exceed ten percent of the original contract price. The following Change Order (CO) request has been submitted:

<u>Library, Student Center & Theater Fire Alarm Replacement Project</u>
Atlas Pellizzari Electric, CO #1 for \$44,298. A detailed Change Order #1 table is attached for this project.

The change order was due to the installation of an annunciator panel with associated materials at each building, Library, Student Center & Theater, and the connection of the annunciator panels to the campus fire alarm loop. Work also included the Installation of 14 new smoke detectors at the Student Center HVAC system, and the Installation of new fire alarm system strobes at the Student Center & Library.

This change order totals \$44,298. The initial estimate for this change order was \$52,000, but after thoroughly reviewing and successfully negotiating with the contractor that amount was reduced by \$7,702.

This budget for this project was initially estimated to be \$868,000, from \$759,000 in State Scheduled Maintenance and \$109,000 Measure E matching funds. Including this Change Order, the completed project came in under budget, with a total project cost reduced to \$710,000.

Budgetary Implications:

The efficient use of Measure E and State Schedule Maintenance Funds.

Follow Up/Outcome:

Upon Board approval, the change order will be issued to the contractor.

Recommended By:

Frederick E. Harris, Vice President of Administrative Services

Prepared By:

Frederick E. Harris, Vice President of Administrative Services

Re: Bid Analysis

Coyote Valley Off-Site Improvements Package Gavilan Joint Community College District

Dear Frederick:

We are pleased to provide our analysis of the bid results for the above referenced project.

Gilbane reviewed the apparent low bidder's, Pacific Underground Construction, Inc., bid and determined that they submitted a responsive bid and appear to be a responsible bidder. Pacific Underground Construction, Inc. confirmed their base bid amount of \$1,370,938 and stated they would honor it.

Please refer to our analysis and findings below for more detail.

Bid Analysis

The following items were considered in our bid analysis:

- 1. Comparative Pricing
- 2. Bond Review
- 3. Company History & Experience
- 4. Bid Form Review
- 5. Reference Check
- 6. Contractor License Check

1. Comparative Pricing (See attached Bid Tabulation Form)

A.	Budget	\$1,500,000
В.	Low Responsive Bid	\$1,370,938
C.	Average Bid	\$1,370,938
D.	High Bid	\$1,370,938
Ē.	Number of Contractors Contacted	22
F.	Number of Plan Holders	22
G.	Number of Potential Bidders	5
H.	Number of Bidders	. 1

2. Bond Review

A. Contractor's Bid Bond

Pacific Underground Construction, Inc. has provided a Bid Bond in the required amount of 10% of their bid amount. The surety is The Ohio Casualty Insurance Company. Their address is 71 Stevenson St. Suite 600, San Francisco, California, 94105. The contact number is (415) 537-2513.

B. Contractor's License Bond

All California contractors are required to file a bond with the State in the amount of \$15,000. The bond number is 6416259 and the effective date is 1/1/16 with First National Insurance Company of America. Their address is 175 Berkeley St., Boston, Massachusetts, 02116.

3. Company History & Experience

Pacific Underground Construction, Inc. has been in business since 1982. Pacific Underground Construction, Inc. is familiar with the local city jurisdictions and municipalities. Pacific Underground Construction, Inc. has worked with numerous cities throughout the bay area. To name a few are City of San Jose, City of Morgan Hill, and City of Mountain View.

4. Bid Form Review

A.	Contractor's Proposal Form	No Exception Taken
В.	Bid Pricing	No Exception Taken
C.	Addenda Acknowledgement	No Exception Taken
D.	Contractor's License Information	No Exception Taken
E.	Subcontractor's List	No Exception Taken
F.	Non-Collusion Affidavit	No Exception Taken
G.	Bid Security	No Exception Taken

5. Reference Check

- A. Cambrian School District The Contracts Manager, Colleen Altendorf, at Cambrian School District stated Pacific Underground Construction, Inc. has performed a couple of projects successfully for them. These projects varied in size. Colleen mentioned that they were cooperative; team oriented and had minimal problems with budget or schedule. Colleen said Pacific Underground Construction, Inc.'s work quality was great. Colleen mentioned her experience with Pacific Underground Construction was excellent.
- B. Jose Campos Inspector for the City of San Jose has worked on multiple projects with Pacific Underground Construction, Inc. Jose said Pacific Underground Construction, Inc. is really cooperative and team orientated. Pacific Underground Construction, Inc. kept to the schedule and there quality of work was great. Jose recommends Pacific Underground Construction, Inc. for the Coyote Valley Off-Site Improvements Project.

Bid Analysis Coyote Valley Off-Site Improvements Package 4/27/2016 Page 3

6. Contractor License Check

A. License Number: 423419

B. License Status: Current and ActiveC. License Issued to: Pacific Underground

Construction, Inc.

Corporation

D. Expiration Date: 5/31/18E. County of Incorporation: Santa Clar

E. County of Incorporation: Santa ClaraF. Claims Against License: No citations or cases on record
