Other Information

20.	Please use this text box to provide any comments regarding the data submitted in this report (optional, no limit).
	Regarding missing data in question 18, we are unable to provide the most recent LVN and RN licensure rates. This is due to the unavailability of historical data due to a cyber incident at Gavilan College in Fall 2019 and the hiring of a new Allied Health Director in January 2020. The current COVID 19 situation is making communication with the BVN and BRN difficult.

The data included in this report are certified as a complete and accurate representation of the reporting institution.
