GAVILAN COLLEGE MISSION

Gavilan College cultivates learning and personal growth in students of all backgrounds and abilities through innovative practices in both traditional and emerging learning environments; transfer pathways, career and technical education, developmental education, and support services prepare students for success in a dynamic and multicultural world.

PUBLIC COMMENTS - Individuals wishing to address the Board on a non-agenda item may do so during the Comments from the Public. However, no action may be taken on an item, which is not on the agenda. The public is welcomed to address the Board on particular agenda items and may do so at the time it is presented. Guidelines for Comments from the Public will be as follows:

A maximum of 3 minutes will be allotted to each speaker with a maximum of 20 minutes to a subject area. No disruptive conduct will be permitted at any Gavilan College Board of Trustees meeting.

AGENDA ITEMS - Individuals wishing to have an item appear on the agenda must submit the request in writing to the Superintendent/President two weeks prior to the regularly scheduled meeting. The Board President and Superintendent/President will determine what items will be included in the agendas. Regular meetings are held the second Tuesday of each month.

Items listed under the Consent Agenda are considered to be routine and are acted on by the Board of Trustees as one motion. There is no discussion of these items prior to Board vote unless a member of the Board, staff, or public requests that specific items be discussed and/or removed from the Consent Agenda. It is understood that the Administration recommends approval on all consent items. Each item on the Consent Agenda approved by the Board of Trustees shall be deemed to have been considered in full and adopted as recommended.

In compliance with the Americans with Disabilities Act, if you need special assistance to access the Board meeting room or to otherwise participate at this meeting, including auxiliary aids or services, please contact Nancy Bailey at 408-848-4711. Notification at least 48 hours prior to the meeting will enable the District to make reasonable arrangements to ensure accessibility to the Board meeting.

Members of the public may inspect agenda documents distributed to the Board of Trustees at the President's Office, SC130, during regular working hours, or at http://www.gavilan.edu/board/agenda.php _____

Please help keep Gavilan College a litter-free campus and preserve its park-like setting. Thank you.

7. Comments from the Public

<u>Tarianna Perez</u> – said she appreciated the steps taken to promote College Hour. She did have concerns about the large number of courses being taught during College Hour which she said resulted in many students missing out on the opportunity to participate in club activities. She asked that classes not be scheduled in the spring during the College Hour time frame; Tuesday and Thursdays between 12:50 and 1:50 p.m.

8. Recognitions

(a) Gilroy Community Spirit Award Presentations

Kathleen Rose noted the accomplishments of:

Individual Honoree - Alice Sousa

Business Honoree - Articulate Solutions

Organization Honoree - Gilroy Community for a Better Downtown

Trustees Mark Dover and Walt Glines presented an award to each.

(b) Recognition of the Employees of the Month

July, 2016 – Rocio De Reza was nominated for her excellent customer service to students and being an excellent team player in her department and other departments. Veronica Martinez said Rocio De Reza embodies the spirit of Gavilan College.

September, 2016 – Nikki Dequin has taken on many responsibilities over the ten years with Gavilan. Ron Hannon said she helped to develop a personal training certificate and is an integral part of the athletic and kinesiology program.

9. Officers' Reports

(a) Vice Presidents

<u>Fred Harris</u> – introduced Jonathan Ramey who is the deputy sheriff serving on our campus. Jonathan Ramey thanked the board and Dr. Rose for welcoming him on campus and said he is looking forward to working with everyone.

Kathleen Moberg – said the student center occupants will be moved to the Multi-Purpose Building and also the CDC by Friday, October 14. They will be closed to the public on October 14 and October 17. Kathleen Moberg said several student services' staff and faculty were able to attend conferences in October and brought back great ideas, new innovations and best practices. She said this was possible due to funding from the Chancellor's Office.

(b) College President

Kathleen Rose commented on her first 100 days as president and extended her gratitude to cabinet, administration, and her executive assistants. She said the executive offices have been moved to the Child Development Center building for the duration of the student center retrofit project. She announced the award of the 3rd STEM grant for Gavilan College. Kathleen Rose reminded everyone that the next president's forum is scheduled for Thursday, October 27th during College Hour. She said the last forum was well attended and she appreciated the students' comments. She said the district will continue to make College Hour better and will work on scheduling conflicts. A comprehensive survey is being conducted through the Office of Research on student needs. Kathleen Rose said winter intersession will be the largest ever scheduled with the hope that students will respond positively. She thanked Sonia Flores and GECA for the use of their Multi-Purpose building for the board meeting.

(c) Academic Senate

Arturo Rosette reported that Susan Dodd is the new SLO/PLO liaison leader. He said Senate has been working on the edits to BP/AP 3280, Grants, which have been provided as an information item on the board agenda. They are now working on the related forms for the AP. Senate is also looking at BP/AP 3710 and 3720, on Computer and Network Use and will be working in consultation with administration to update these policies. He reported that they had an excellent presentation from the civic engagement program through the Title V grant which sparked good conversations. Arturo Rosette said this will be an ongoing discussion. He said Peter Wruck will be talking with them about data integrity and processes.

(d) Professional Support Staff

Diane Seelie reported that CSEA will be seeking nominations for next year's "E-Board" with elections being held in the month of December.

(e) Student Representative

Iris Cueto said as a result of the student center closure students are concerned about where they will be eating during the rainy days. She announced that ASGC Democratic Club is holding a Town Hall featuring local candidates. It will be in Library 170 on Thursday, October 20 from 1:00-3:00 p.m. Iris Cueto is scheduling meetings with board members to gather their thoughts on students well-being and how everyone can work together to help students have a better experience on campus. She said they are handing out surveys to students about the student center remodel. She also invited board members to come to the ASGC meetings on Thursdays at 9:45 a.m.

(f) Board Member Comments

<u>Jonathan Brusco</u> – congratulated the spirit award winners in all three locations. He attended the Morgan Hill Leadership graduation and was pleased to see Linda Bernabe as a graduate of the class.

Walt Glines – attended the Spirit Award presentation in Morgan Hill along with Laura Perry. He suggested a Gavilan aviation sign be placed at the San Martin airport and Fred Harris responded that a county application for signage has been submitted. Walt Glines attended the first President's forum in September and said fantastic ideas were shared. He promoted voting "yes" on Proposition 51. He appreciated the work of Mimi Arvizu in her 38 years of service to Gavilan. A retirement event is planned on October 20.

<u>Lois Locci</u> – congratulated Academic Senate for their thoughtful work on the grant policy and procedure.

<u>Tom Breen</u> – said he and Dana Young staffed the Gavilan College booth at the San Benito County Fair. He announced the Hollister Youth Alliance fundraiser at La Casa Rosa on October 15. La Casa Rosa will host a second event on October 23rd which is a fundraising event for the San Juan Bautista Mission.

Mark Dover – was pleased to hear that students are involved in the student center remodel. He congratulated the Spirit Award Committee for their selection of award winners. He felt they were all worthy recipients. Mark Dover asked about the water pond at the Coyote Valley site. Fred Harris replied that it is a potential wetland that the district has designed around to avoid mitigation issues. Mark Dover reported on active shooter training he recently received called "ALICE."

<u>Kent Child</u> – commented how fortunate we are to have a campus in a natural environment.

(g) Board President

Laura Perry encouraged the resolution of the pig burrowing problem at the golf course. She said some people in the district don't know about the Coyote Valley site and agreed that signage would be a good idea. Laura Perry commented on the success of the Spirit Award program.

10. Board Committee Reports

Board Self-Evaluation Ad Hoc Committee - Kent Child said a date needs to be selected to review the self-evaluation survey and formalize the annual board goals. He thanked everyone for completing their surveys by the deadline.

11. Information/Staff Reports

(a) Gilroy Early College Academy (GECA) Update

Sonia Flores, Principal of GECA, reported on the mission, vision, and outcomes of the Academy. She said this year is the highest enrollment at 274 students and that they continue to work on retaining their students. The partnership with the college is important and reflected in that 58% of the high school graduates also received an AA or AS. Sonia Flores provided a comparison of GECA statistics and National Early College Statistics along with outcomes and successes which reflect a successful program. She concluded by sharing the goals for the future and thanking the Gavilan board for the partnership.

(b) Harvard Experience

Kathleen Moberg thanked the board for allowing her to attend the Harvard Institute Educational Management program in July. She reviewed the intense curriculum, shared messages from distinguished speakers, and pearls of wisdom she carried away from the training. Kathleen Moberg said it is important to remember that we are here for "students".

Ron Hannon reported on the Institute for Management and Leadership in Education he attended in June. He shared the demographics of the class which included 116 students representing 32 states and 9 countries. He said this was an international learning experience, with great presenters, and an eye opener to the challenges of diversity. Ron Hannon said that Gavilan College is in a position to affect change in our students and we do it every day. He thanked the board for the opportunity.

- (c) 2015-2016 Institutional Effectiveness Committee (IEC) Report Kathleen Rose presented the work of the IEC Committee and asked for questions. No questions.
- (d) ACCJC Substantive Change Proposal, Aviation Maintenance Technology Program Kathleen Rose said this report was required as a result of the move of the program from the Gilroy campus to the San Martin Airport site. It has been forwarded to the ACCJC for review.
- (e) Review edits to Board Policy and Administrative Procedures 3280, Grants Kathleen Rose said the Academic Senate took the lead on editing this procedure for institutional use in looking at proposals, tracking grants and promoting campus dialog. She said the forms for this process are being created. Walt Glines requested a report in the future on how the grants and grant projects are progressing.

III. ACTION ITEMS

- 1. Old Business
 - (a) Educational Master Plan MSC (K. Child/J. Brusco)

<u>Discussion</u> – the contract will be funded by various grant funds and not the general fund. The draft plan should be completed by spring 2017. Kathleen Rose said the work will begin upon contract approval.

Vote:

7 Ayes: Tom Breen, Jonathan Brusco, Kent Child, Mark Dover, Lois Locci, Walt Glines, Laura Perry and Student Trustee Iris Cueto, advisory vote of aye to approve

- 0 Noes
- 0 Absent
- (b) Board of Trustees Regular Meeting Schedule Revision MSC (T. Breen/W. Glines)

Mark Dover suggested a scheduled meeting in 2017 at the Coyote Valley site.

Proposal: That the Board of Trustees review recognition of the Month.	the following Employees of
Background:	

unique contributions.

Employees of the Month, October 2016 – Shannon Bishop, Esteban Talavera and

The purpose of the Employee of the Month Award program is to encourage employee excellence and dedication and to let employees know that they are valued for their

Shannon, Esteban and Adriana are already known for their meticulous, conscientious, and committed work at Gavilan, but this past month they pulled out all the stops in preparing for the visit from the Title III and Title V Program Officer, Terrance Hilton, from the U.S. Department of Education. They found documents, typed lists, prepared forms, chased down files, and ultimately assembled comprehensive binders of every type of grant information needed for the visit. Throughout this process they were flexible, cordial and ready to act on a moment's notice. You would never have thought that they had a million other things to do as they came forward to respond to every request.

Budgetary Implications:

None

Follow Up/Outcome:

Adriana Servin

- 1. The Human Resources Director will contact the employee and let them know that he/she was selected as the EMPLOYEE OF THE MONTH.
- 2. The Human Resources Director will send an announcement campus-wide.

- 3. The employee will be recognized by his/her department supervisor.
- 4. The employee will be recognized in the Campus Newsletter by the PIO.
- 5. The employee will be recognized at the district's annual Employee Recognition Banquet held in May.
- 6. The employee's name will be placed on the wall plaque located in the North/South Lounge.
- 7. The employee will receive a desktop award with his/her name engraved.

A. Overview of Substantive Change

A.1 Description of Proposed Change

Gavilan College is requesting a Substantive Change Review to seek approval to relocate their Public Safety Career Technical Training and Educational Program known as South Bay Regional Public Safety Training Consortium (Consortium) from the San Jose Evergreen Community College District property on Yerba Buena Road, San Jose to the new Coyote Valley Site on Bailey Road, San Jose. The Consortium is a Joint Powers Agency comprised of the following nine community colleges: Cabrillo, College of San Mateo, Foothill, Gavilan, Hartnell, Lake Tahoe Community, Mission, Monterey Peninsula, and Ohlone. The program is self-contained with its own Administrative and Support Services staff. The program is currently housed on approximately 15,000 square feet of property including 7 classrooms on the San Jose Evergreen site. The program would experience no change in course delivery to the student population currently being serviced with the move to the Coyote Valley site. To the contrary, failing to identify a suitable venue for the Consortium program courses would have a negative impact on public safety education and training throughout the greater San Francisco Bay Area and specifically the Gavilan College program.

The change of location will provide for additional space, approximately 28,800 square feet and 1 additional classroom, as well as support the delivery of additional Certificate and Degree applicable courses to public safety students. In addition, Gavilan College will deliver Science, Technology, Engineering, Math (STEM), and general education courses at the site, through face to face, hybrid and fully online formats, to compliment the Consortium program, and meet the needs of the northern District student base. Program, Degree, Certificate and GE course delivery will be scheduled so as to have the widest impact on access to education across the District. The Coyote Valley site provides opportunities to create a stronger nexus between the Consortium CTE training and public safety educational programs to the benefit of current and future Gavilan College students.

A.2 Relationship to the Gavilan College Mission

The College's mission statement is as follows:

Gavilan College cultivates learning and personal growth in students of all backgrounds and abilities through innovative practices in both traditional and emerging learning environments; transfer pathways, career and technical education, developmental education, and support services prepare students for success in a dynamic and multicultural world.

The mission is evaluated and revised on a regular basis and was last reviewed and approved by the board on January 12, 2016.

The Consortium's mission is: to meet the educational and training needs of public safety students within the areas represented by the participating community college districts. Courses offered must meet a regional need of either small or large public safety agencies. Courses will

also be carefully articulated with lower division academic programs and upper division transfer degree programs. Liaison will be maintained with the Region Six "Public Safety Training Committee" which is charged with the development of regional facilities and technology for skill development.

The mission will be accomplished in an effective and efficient manner to ensure the highest quality training for public safety professionals.

Our Purpose Statement

Gavilan College offers a wide range of services, including programs of community education, study in the liberal arts and sciences, and study in the pre-professional, business, vocational, and technical fields. To support student success within the Public Safety Career Technical Education Program, we were fundamental in the creation of the South Bay Regional Public Safety Training Consortium. What was originally a partnership between Gavilan and San Jose/Evergreen Community College District, the Consortium is now nine colleges strong, offering a vast array of public safety basic and continuing education courses on days, evenings, and weekends. The courses are delivered in traditional, modular and compressed formats to meet student needs. All offerings are designed to assist students in meeting their educational and life goals.

The Gavilan Joint Community College District is comprised of 2,700 square miles encompassing southern Santa Clara and most of San Benito County. In the spring of 1997, instructional sites were added in Hollister and Morgan Hill to augment offerings on the main campus. With the passage of the Measure E facilities bond in 2004, Gavilan College has modernized the existing campus, and can prepare students of the future with permanent education centers in Coyote Valley and San Benito County. The next few years will see improvements in institutional and classroom technology, expanded online services, improvement in technology infrastructure and improvements in safety, accessibility, and lighting.

Continued support of the Consortium program is consistent with Gavilan's Strategic Plan touching on six of the seven identified strategies. Delivering the Consortium courses at the Coyote site provides opportunities to optimize enrollment for students in the service area. The Consortium Program is evolving from stand alone and elective course delivery, to certificate and degree applicable core courses assisting students in achieving educational, career and personal goals.

Relocating Gavilan's public safety program and associated general education courses to the 28,800 square foot Coyote Valley Site completes Phase One of the Coyote Valley project. Based upon population projection estimates from the Department of Finance (DOF) using the 2010 U.S. Census data, Coyote Valley will experience a population growth of approximately 1.6% from 2015-2020 and Gavilan projects nearly full site utilization within two years of opening of the Coyote Valley Site.

Phase Two of the development will expand site construction to total 554,000 square feet of buildings, along with student services and course availability in specialty Science, Technology, Engineering and Mathematics (STEM) programs such as Engineering and additional Career

Technical Education programs such as Computer Science and Information Systems.

Approximately 10% of Gavilan's FTES, is in public safety training and education. The Coyote Valley Site, and its location, allows Gavilan to expand accessibility and services for their students to the Consortium program. An added benefit is that this new site establishes Gavilan College as the host for public safety training and education for the entire region, as well as meeting the inter-collegiate collaborative and cooperative goals of the Chancellor's Office *Doing What Matters for Jobs and the Economy* Initiative. The Consortium has a proven history of facilitating collaboration between not only community college districts, but between communities, industry partners and governmental agencies.

The Consortium program is certified by both the Commission on Peace Officer Standards and Training (P.O.S.T.) and the State Fire Marshal as the Regional Training Center for law enforcement and fire services training from South San Francisco to King City. The Consortium provides basic training in law enforcement, fire services and EMTs to students who will secure employment throughout the Greater Bay Area as well as the East Bay and Central Valley. Data compiled through the Chancellor's Office Economic & Workforce Development projects over a 5% increase in entry level law enforcement and fire services jobs in California over the next 5 years, and over 14% and 20% in corrections and EMT/paramedics, respectfully. By providing the Consortium program with a permanent location at the Coyote Valley Site, Gavilan College will be positioned to be the primary source for public safety Certificate and Associate programs as well as basic and career advancement training in the San Francisco Bay Area.

A.3 Rationale for Proposed Change

Since 1994, The Consortium has been located at a jointly-used training facility on the San Jose/Evergreen District property in San Jose. However, with changes in enrollment and SJ/EVC District needs, the Consortium Program must be relocated. The JPA Agreement and Bylaws outline the requirement for a member college to provide qualitative and substantive support of the Consortium Program financially and/or physically through use of facilities or equipment. (Appendix A) The Coyote Valley Site provides the requisite space and location to sustain the current program and offers opportunities for expansion.

In partnership with South Bay Regional Public Safety Training Consortium, Gavilan College continues to develop and enhance educational, Degree and Certificate, opportunities in its Career Technical Education programs. Gavilan College has a thriving and established Administration of Justice program that includes the Basic Police Academy in both a Certificate of Achievement and a terminal Associate Degree. The recent approval of the Fire Technology Certificate of Achievement begins the collaborative efforts to expand the Fire Technology Program at Gavilan College. We are developing additional Fire Technology courses aligned with courses receiving C-ID approval through the Chancellor's Office, to establish a Fire Technology Associate Degree to meet the comprehensive educational needs of students and the profession.

With Silicon Valley continuing to provide some of the best opportunities for employment in public safety over the coming decade, Gavilan College will need to take advantage of its close proximity to this area. The Chancellor's Office Economic & Workforce Development reports

that the Silicon Valley region employs over 22,000 public safety personnel with an additional 2800 jobs available between 2015 and 2020. Gavilan College's Administration of Justice program enrolls over 500 full-time equivalent Gavilan College students or approximately \$2.4 million in apportionment revenue, annually. (Appendix B) The Consortium enrolls an additional 2100 full-time equivalency students for the other eight JPA colleges. Failing to identify a suitable permanent location for the Consortium would have a tremendous, negative impact on the public safety profession in the San Francisco Bay area, as well as throughout California. The District believes moving the Consortium program to the Coyote Valley Site will allow Gavilan College to offer better educational opportunities and continue to provide the much needed training and educational services the Consortium program has been delivering for over 20 years. The District recognizes the Consortium's importance and contributions, and has prioritized our decisions to support the public safety program at the Coyote Valley Site which will lead to degrees, transfer, certificate fulfillment, and ultimately career pathways in the District's service area.

Labor market is an important consideration for all career technical education programs and an analysis was part of the Consortium's program review in 2015. (Appendix B) The College has reported extensively on regional labor market factors and trends as well as taking a snapshot of employment and economic data in the Educational Master Plan report from 2013.

B. Planning Process Leading to Request for Change

Gavilan Community College District maintains an integrated planning process to develop and evaluate programs. All planning efforts are derived from the mission and vision of the College. The Educational Master Plan referred to in this proposal provides the foundation and guiding principles to all other planning efforts, including the Gavilan College Strategic Plan¹.

The SJ Evergreen District greatly reduced their commitment and involvement in the Consortium beginning Fiscal Year 2013-14 when they became a Basic Aid funded district. They continued their support by providing facilities and a minimal financial commitment to the program. They announced their intentions at that time to re-direct resources and repurpose the property housing the Consortium. Different options were considered regarding a temporary and permanent location for the Consortium, at the same time the planning for the Coyote Valley site was occurring. It was determined that the best long-term and most fiscally responsible choice was moving the Consortium to the Coyote Valley site. The decision was subsequently approved by both the Consortium Board and Gavilan Joint Community College Board of Directors.

B.1 Relationship to Planning, Evaluation and Stated Mission

The Gavilan Joint Community College District is in the process of developing an approximately 55-acre property for a community college campus that could eventually accommodate up to

http://www.gavilan.edu/strategic_plans/Gavilan_StrategicPlan_2015_2020.pdf

¹ Strategic Plan FY 2015/16 - 2019/20:

10,000 students in the Coyote Valley area of San Jose. The District is comprised of approximately 2,700 square miles in southern Santa Clara County and most of San Benito County. Currently, the District operates a main campus at Santa Teresa Boulevard and Mesa Road in Gilroy and two instructional sites in Hollister and Morgan Hill, distance education classes in many disciplines, and instruction at other offsite locations.

In the first phase of the development of the Coyote Valley Site, the primary focus is to provide a gateway center giving students access to general education/transfer courses and a District-funded specialized facility for the Administration of Justice and Consortium Academy programs offered by Gavilan College. The facility will provide not only education and training for law enforcement, fire services, EMT, dispatch and corrections through traditional Certificate and Degree course delivery, but also offer pre-employment testing and training, and pre-employment courses that assist students in preparing for the JLE 100 and JFT 8 Basic Academy courses. The Consortium program also provides "perishable skills" update training so students can maintain the requisite skills, knowledge and the professional certifications necessary to secure or maintain employment in the public safety professions as part of the Career Technical Education umbrella.

Phase Two of the development of the Coyote Valley Site will be to establish an Educational Center and provide comprehensive general education and basic skills class opportunities and specialty Science, Technology, Engineering, and Mathematics (STEM) programs within the Career Technical Education programs such as Computer Science and Information Systems. Phase Two also calls for the expansion of the campus through the construction of additional lecture halls, laboratories, and athletic fields.

The Coyote Valley Site allows for the opportunity to recapture more than 1,800 existing Gavilan Joint Community College District students (headcount) that currently drive past the Coyote Valley site or utilize other community college districts located to the north. The Consortium program is driven by the needs of the public safety industry and the needs of its member colleges. It was created to provide a higher quality of public safety education and training through a cooperative effort between the community colleges and public safety professionals. The collaborative nature of the organization, currently nine community colleges strong, creates stability and provides the support required to deliver approximately 1.35 million student contact hours annually.

B.2 Needs and Resource Assessment

The Consortium program is comprised of 40 full-time and part-time staff, and over 200 part-time faculty members. The entire organizational structure and its resources will be relocated to the Coyote Valley Site in its entirety. The Consortium Board of Directors meet quarterly and review the program's progress, needs, concerns and future challenges and opportunities. Should specific programmatic needs arise, Gavilan College and all Consortium members will pool resources and/or funds to support the short and long-term goals of the organization.

The Consortium program underwent a complete program review with Gavilan College in fiscal year 2014-15. Identifying a permanent location for the program and continued collaboration with industry partners were two of the recommendations for the program. The Coyote Valley Site

solves one of the programmatic concerns. In addition to the Consortium Board of Directors' quarterly meeting, Consortium personnel engage in quarterly industry Advisory Meetings and monthly Training Manager meetings in San Mateo, Santa Clara, Santa Cruz, and Monterey Counties.

All usable Consortium equipment and property will be moved and employed at the Coyote Valley Site. The continued maintenance and acquisition of resources for the Consortium at the Coyote Valley site is supported through a separate funding mechanism established by the Consortium Board of Directors, of which President Kathleen Rose is a member. The Consortium Administrative offices will utilize furniture and equipment employed at their current location at the new Coyote Valley site. Classrooms will be resourced using a combination of new, gently used and surplus furniture and equipment from Gavilan College's and the Consortium's stored inventories.

Gavilan College and the Consortium will support administrative and student service offices to support Gavilan students engaged in all the programs offered at the Coyote Valley Site.

B.3 Anticipated Effect of the Proposed Change on the Institution

It is anticipated that this change will increase access to educational opportunities for residents of the service area that would otherwise be unavailable. As the Consortium programs expand to include Degree applicable course delivery, the College expects a moderate increase in Administration of Justice and Fire Technology enrollment and completers, especially among service area residents who live a great distance from the main campus. The College also hopes to recapture and stop the future loss of students residing in our service area to other colleges who are currently offering degrees in these programs.

B.4 Benefits Resulting from Change

The primary benefit of the proposed change is increased access to education. As the District expands learning opportunities that support specific degree programs into the Coyote Valley Site, more students will be able to reach their career and educational goals. It is anticipated that this change will also have a positive impact on retention and completion rates, keeping students at Gavilan versus losing them to neighboring community colleges with more advanced programs.

The Administration of Justice and Fire Technology professions are successful choices for many students, providing pathways to high-wage jobs. The publication "Advancing Student Success in California Community Colleges" reports that "The California Community Colleges train 80 percent of firefighters, law enforcement personnel, and emergency medical technicians." The Consortium is recognized and certified as the Regional Presenter of these programs by the two state agencies overseeing the professions: the Commission on Peace Officer Standards and Training (POST) and the State Fire Marshal. The relocation of the Consortium Program to the Coyote Valley Site strategically positions Gavilan College as the premier provider of associated Degree, Certificate and transfer programs within the disciplines.

Placement of the Consortium program at the Coyote Valley Site creates stability for the program and ensures students continued access to public safety workforce education and training as well

as associated certificate and degree programs. By offering general education courses in conjunction with the Consortium program courses, current and aspiring public safety employees will have access to all courses necessary to achieve their educational and professional goals.

The public safety profession is evolving with the changes in technology. Gavilan will offer STEM and additional CTE courses at the Coyote Valley Site which will compliment and provide a diversified education opportunity to Gavilan students. The comingling of the CTE disciplines at the Coyote Valley Site will parallel the trend of new and emerging careers and professions in the public safety, emergency management, cyber security and technology industries.

B.5 Preparation and Planning Process for the Change

The Gavilan College 2013 Educational Master Plan outlined the District's need and intention to develop the Coyote Valley Site. From its inception, the Consortium has been an integral part of Gavilan College's Administration of Justice program and was instrumental in the development of the Fire Technology and Emergency Medical Technician program. The SJ/EVC District property was the original location for the Consortium due to the fact they had a newer facility already operational, and their proximity to two of the largest public safety agencies in the county (San Jose Police and Santa Clara County Sheriff). With the re-dedication of SJ/EVC resources and specifically the property housing the Consortium program, now over 20 years old, Gavilan College has the opportunity to take a more hands-on role in the expansion of the Program and support Gavilan College students in achieving their educational and professional goals. As one of the JPA founding colleges, Gavilan welcomes the opportunity to take on more a more direct leadership role in the Consortium structure. Having the Consortium located on the Coyote Valley Site, will create a greater nexus between the courses delivered by the Consortium for Gavilan College and the certificate and degree programs to which the courses are associated.

The Coyote Valley Site plans were developed and reviewed as outlined in the Board Policies, and approved by the Gavilan Board of Trustees. The executive staff at the Consortium was consulted to ensure the facilities would meet the needs of all the programs and students utilizing them during all phases of the project.

C. Institutional Resources, Process for Change and Quality Assurances

C.1 Student Support Services

The <u>College Orientation</u> is available online and counseling/advising services are available via telephone. <u>Registration</u> is fully online and does not require a campus visit. <u>Student guidance</u> is available through every step of the enrollment process. All of the information needed to apply, matriculate, and enroll is available on the College website². To help students navigate the complexities of <u>financial aid</u>, there are a number of <u>online videos</u>.

² http://www.gavilan.edu/student.html

In addition, we offer other services to students at satellite locations which are easily accessed from our learning management portal or through the individual webs sites themselves including:

- Tutoring Center.
- Writing Center
- <u>Library</u>
- Research help is available through a live chat service, email, and by telephone.
- Bookstore
- Assessment
- Health Services
- Transportation & Bus Services

Accommodations for students with disabilities are honored at all Gavilan Campuses. All courses approved for delivery at the Coyote Valley Site through the Curriculum Committee have a completed statement of accommodation. Students with disabilities can access services by contacting Gavilan Staff at the Coyote Valley site in the Administrative Office. The Consortium staff assist students needing reasonable accommodations within the courses they deliver directly. In the event Gavilan staff are unavailable at the Coyote Valley site students can contact the Disability Resource Center (DRC) on the main campus for test proctoring, use of assistive technology and other services. Each classroom is designed to accommodate students with disabilities and special accommodation requests are honored as reasonable. The College has limited proctoring services outside of the classroom.

C.2 Sufficient and Qualified Faculty, Management, and Support Staffing

Faculty who teach Consortium courses are required to meet the same subject area minimum qualifications as all Gavilan College faculty: Bachelor Degree plus 2 years' experience or an Associate Degree plus 6 years' experience. Currently, the Consortium Program is structured similarly to the College with a President, Vice Presidents and Program Coordinators, all of whom meet or exceed the minimum qualifications for instruction as designated by Title V. This staff functions in place of a full-time faculty member specifically for the public safety program. The staff also supervise and provide assistance to more than 200 part-time faculty and all Consortium students. They offer one-on-one technical support and courses/workshops. Additionally, the Consortium has an Instructional Services Support department comprised of five employees, and Fiscal Services staff of six full-time and two part-time employees. The Consortium also employs its own IT staff to support the needs of instructional staff and technical support. The Consortium maintains a bookstore (physical and online) for the convenience of students participating in the program. The Consortium bookstore will be blended with the Gavilan bookstore on the Coyote Valley Site to serve faculty and students delivering/attending any of the courses onsite. Consortium staff will be available at the Coyote Valley site to assist students Monday through Friday 8 am to 5 pm, except holidays. Gavilan staff will provide site supervision 5 pm to 10 pm Monday through Friday. (Appendix D)

C.3 Professional Development

All faculty who teach in the Consortium courses meet minimum qualifications as established in

title 5 sections 53400-53430 and the Discipline Lists published by the Chancellor's Office. All Basic Academy instructors are also required to complete the associated Instructor Certification courses as identified by the Commission on Peace Officer Standards and Training (POST), or the State Fire Marshal prior to providing any instruction to students. Faculty who teach any specialized topics are required to complete the requisite certified instructor courses for those topics, as well. All instructors are required to complete regular update training, minimally 8 hours of continued professional development every 3 years and meet minimum qualifications for Community Colleges.

The Consortium hosts professional development training in Administration of Justice and Fire Technology throughout the fiscal year. Both POST and the State Fire Marshal provide online and classroom-based professional development. Program Coordinators are in regular contact with faculty members, and training opportunities and resources are regularly posted on the Consortium website. These resources include information on the following: best practices, instructor handbook, regulatory concerns, pedagogical strategies, instructor preparation, technology tools, and more.

C.4 Appropriate Equipment and Facilities

The Consortium will be relocated with all currently utilized furnishings, equipment and resources. All classrooms will be equipped with tables and chairs conducive to the learning environment, ceiling and wall mounted audio visual equipment, and dedicated and wireless internet capabilities. The Consortium will maintain all equipment necessary for manipulative lab exercises associated with the public safety courses, as well as first aid/CPR kits and safety equipment as required by the state regulatory agencies. The Consortium will maintain a Resource Center of text, videos and CDs at the Coyote Valley Site, as well as a Bookstore for faculty and student supplies. For faculty and staff, the Consortium will maintain the latest technology to demo and check-out, as well as have multimedia staff available to assist with the production of video or other content for their classes. The District maintains open computer labs at the main campus, including the Library, the Learning Commons, the Computer Center, the Student Success Center and various labs and instructional spaces.

C.5 Sustainable Fiscal Resources

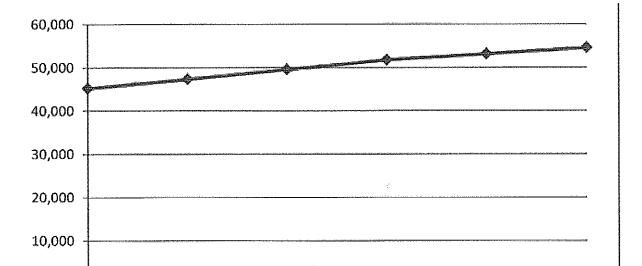

The Gavilan Community College District has sufficient resources to support the planned projected growth in enrollment for both the Consortium program and the degree applicable courses to be offered at the Coyote Valley Site. The foundational concept of the JPA requires shared expense and support of the Consortium program. The nine member colleges collaborate and cooperate through sharing of resources to provide quality education and training in a cost efficient manner for all member colleges. As the host location for the Consortium administrative offices, Santa Clara County Regional Academy and associated continuing education courses, the Coyote Valley Site will benefit from the FTES Gavilan College has dedicated to the program. Gavilan College will continue in their leadership capacity as more than simply a member of the Consortium. The Consortium program will become a more integral part of the Gavilan College educational plan, expanding certificate, associate and career technical educational programs specific to public safety careers. The funding model of the JPA, ensures the sustainability of the program during the cyclical flush and lean student enrollment periods for the community

colleges, without Gavilan College bearing the full financial burden of success.

C.6 Comparative Analysis of Budget, Enrollment and Recourses

The proposed change will not have a significant impact on the institutional budget for the next several years. Moreover, having the Consortium Program located on the Gavilan Coyote Valley location avails additional potential funding opportunities which would mitigate any additional costs associated with the continued support on the site. Historically, Gavilan has dedicated approximately 470 FTES to the Consortium program annually since 2008. Economic & Workforce Development through the California Community Colleges project an additional 16,694 new and replacement entry level jobs in law enforcement and 6,612 in Fire Services over the next five years. Gavilan College currently dedicates 550 FTES to the Consortium program to meet the anticipated increase in enrollment associated with these positions. Additionally, the Economic & Workforce Development Report projects a total of 3815 promotional positions within law enforcement and fire services over the next five years. The Consortium program not only provides the basic skills training, but also the promotional courses required by the State certification agencies in each discipline.

According to the Department of Finance the adult population in Morgan Hill and the adjacent area of Coyote Valley is predicted to increase over the next 25 years (see below)

Adult Population of Morgan Hill and Adjacent Communities

Enrollment trends have indicated that there are students who would benefit from expanded services in Coyote Valley, to include offering all courses in select degree and certificates, expanded computer lab systems to support tutorial needs, distance education, and information competency learning outcomes. Innovation and technology are transforming the manufacturing

2025

2030

2020

0 | 2010

2015

2035

industries, in specialty, high value-added areas. These jobs require specialty technical and Career Technical Education and training that will be offered at the Coyote Valley Site during Phase two of the project.

C.7 Plan for Monitoring Achievement of Outcomes

All Consortium courses offered are reviewed and approved by the Curriculum Committee to ensure courses meet the same learning outcomes, have the same rigor, and use appropriate instructional methodology. Institutional Research collects, analyzes, and disseminates data to measure the attainment of student learning outcomes and course success. All of the related programs are on a program review cycle. The Consortium completed a comprehensive review of learning outcomes associated with their courses in 2014-15. The Consortium Program completed the Gavilan College IEC review process in 2015. Success Data is shared with division Deans for the purpose of improving student outcomes.

C.8 Evaluation and Assessment of Student Success, Retention and Completion

Faculty are encouraged to use multiple measures of assessments in each course and are trained in the use of tools that enhance academic integrity such as test banks, timed tests, State standardized written and manipulative tests, scenario-based exercise, and skills demonstrations.

Student success and retention rates are monitored for all courses at Gavilan College. The most recent analysis over a three year period (Fall 2011 to Spring 2014) show average success rates for Gavilan College public safety courses were 98.1% and retention rates were 99.3 %. The Research Department shares information with division Deans and the Vice President of Instruction regarding success rates. This information is then used at the division level to develop appropriate interventions. Regarding completion, the development of new and congruent courses, Certificates, Degrees and Programs are four strategies the College is pursing to improve completion rates within the Consortium Program.

The move of the Consortium program to the Coyote Valley Site fulfills one of the program's goals as identified on the IEC review. The Fire Technology component of the program has experience greater interest and enrollment over the past few years. The restructure of the Fire Fighter 1 Academy curriculum by the State Fire Marshal and the standardized testing component provides additional opportunities to expand the Gavilan Fire Program. Establishing a Fire Technology Associates Degree and Associates Degree for Transfer are in line with one of the program goals. The Economic & Workforce Development report on public safety estimates a more that 20% increase in EMT and Paramedic jobs over the next 5 years. One of the Consortium program goals includes researching the viability of a Paramedic program which would complement the Fire Technology and EMT programs already established.

D. Evidence of Internal and External Approvals

The College Strategic Plan and Educational Master Plan both highlight the importance of and need to develop the Coyote Valley Site. These plans were developed and approved through a

collaborative process involving various constituencies including the Board of Trustees. All Coyote Valley Site and Consortium courses have the same course outline of record and the approval process as all other Gavilan College courses. The approval process includes the Curriculum Committee, Academic Senate and the Board of Trustees. In addition, the Consortium reports to its Board of Directors, of which Dr. Rose is a member, on a quarterly basis providing regular updates on FTES generation, trends, accomplishments and potential issues as they arise.

In addition to the District Board approval process, the Consortium program courses will be required to complete a recertification process with both the Commission on Peace Officers Standards in Training, and the State Fire Marshal to ensure the facilities and delivery of curriculum are in compliance with state standards and requirements.

The Consortium Executive Staff keep current on relevant legal requirements related to public safety education and training by sitting on and attending POST Advisory Committee, State Fire Marshal Committee, and the Chancellor's Office Public Safety Advisory Committee Meetings as well as reviewing relevant Title 5 requirements.

E. Evidence of Maintenance of Eligibility Requirements

E.1. Authority

Gavilan Community College District's authority to operate as a degree granting institution is granted by the Accrediting Commission for Community and Junior Colleges (ACCJC) of the Western Association of Schools and Colleges. ACCJC is an institutional accreditation body recognized by the Commission on Recognition of Postsecondary Accreditation and the United States Department of Education.

The Board of Trustees adheres to all eligibility requirements, accreditation standards and policies of the Commission as evidenced in the March 2014 accreditation report (http://www.gavilan.edu/administration/accreditation/2014.php).

The change of location to Coyote Valley is within the mission and strategic plan of Gavilan College and was undertaken through a collaborative process. It will not affect the eligibility status of Gavilan College.

The Consortium Program and courses are certified through the California Commission on Peace Officers Standards and Training, the Fire Technology Academy, the State Fire Marshal, and Santa Clara County EMSA. The program is approved for veterans' training and funding, as well as other career applicable funding sources for qualifying students. Students who attend Gavilan College can receive full credit for appropriate courses completed with a grade of "C" or better.

E.2. Operational Status

Approximately 5,500 FTE (Full Time Equivalent) students enroll in courses each year for all Gavilan member institutions. Students primarily enroll in courses that lead to two-year degrees,

transfer degrees, or certificates of achievement.

The Consortium Program enrolls approximately 2600 FTE students annually for the nine member colleges. Over 500 FTES students are enrolled directly with Gavilan College through the Consortium. Consortium classes are held continuously throughout the year, and counseling services are available for all new and continuing students. Students are enrolled in a variety of courses that lead to a certificate and/or Associate of Arts degree in Administration of Justice or Fire Technology.

E.3. Degrees

The majority of courses support degree programs as described in the Gavilan College Catalog. Degree and transfer courses are identified in the catalog and listed on the College website.

Gavilan College offers the Consortium Program through two types of career educational options: Associate Degree and Certificate of Achievement. Both offerings are approved and clearly identified in the College catalog or the College website.

E.4. Chief Executive Officer

The Superintendent/President of the College is selected by the Governing Board. Dr. Kathleen Rose, Superintendent and President of Gavilan Joint Community College District, is the Chief Executive Officer. Dr. Kathleen Rose has been serving the California Community College system since 2002, with the past 7 years as the Executive Vice President and Chief Instruction Officer at Gavilan College. Dr. Rose became the Superintendent/President in 2016. The president operates with the full-time responsibility to administer Board policies and contribute to community activities that promote the College.

Dr. Walter Tribley is the sitting Chair for the South Bay Regional Public Safety Training Consortium Board of Directors. Consortium President Steven Cushing was selected by the Consortium Board of Directors in 2006. President Cushing provides full-time oversight of the Consortium Programs and is responsible to the Consortium Chair and Board of Directors.

E.5. Financial Accountability

The College is audited annually by certified public accountants. The audit includes expenses and income generated by all Gavilan College programs including the Consortium.

The Consortium Program is audited annually by independent certified public accountants. The audit includes expenses and income generated by the Consortium which is reviewed and approved by the Board of Directors. The 2014-15 fiscal year audit can be found in Appendix F.

E.6. Mission

The mission statement is clearly defined and reviewed and revised periodically by College Council. The current mission statement was approved by the Board of Trustees in January 2016. The new mission has been disseminated throughout campus, in College publications, and on the College website, and playing a central role in guiding the strategic planning efforts of the College.

The Consortium Program meets the stated mission and visionary educational values of Gavilan College by offering training that prepares students for technical and public service careers. The relocation of this program also strengthens the community by offering greater access to advanced student training in vocational and technical fields.

E.7. Governing Board

The Gavilan Joint Community College District Board of Trustees consists of seven members that are representatives of the District's service area. Terms are four years and staggered to ensure continuity. The Board includes a student trustee who serves a one-year term.

The Gavilan College Board of Trustees approved the creation of numerous Certificates of Achievement and Associate of Arts Degree programs which are delivered through the Consortium Program including: a Certificate of Achievement and Associate of Arts in Administration of Justice, and a Certificate of Achievement in Fire Technology. Gavilan College offers these programs through the regular curriculum process on recommendation of the Academic Senate and Curriculum Committee. With this approval the Board demonstrated responsibility for the quality and integrity of the instructional programs to be delivered at Coyote Valley Site.

The Consortium Board of Directors consists of one representative and one alternate representative from each member Community College or District who shall be appointed in accordance with the Consortium JPA Bylaws. The Consortium Bylaws were last reviewed and approved in August 2015. (Appendix A)

E.8. Administrative Capacity

The administration is sufficient in number and qualifications to support the mission of the College. The Consortium Program Coordinators report directly to the Vice President of Academic Affairs, Linda Vaughn and Vice President of Law Enforcement Services, Gregg Giusiana. The V.P. of Academic Affairs works closely with the Dean of Career Technical Education, Sherrean Carr who provides oversight and guidance for the Consortium Program. Although, the Consortium as an organization reports directly to its Board of Directors, as it relates to Gavilan College the President and Superintendent, Dr. Kathleen Rose, oversees academic quality of the program.

E.9. Educational Programs

Gavilan Joint Community College District degree programs are aligned with its mission, are based on recognized higher education fields of study, and are of sufficient content and length. All courses scheduled for delivery at the Coyote Valley Site use the same course outline of record as those delivered on the Gilroy main campus and are designed to achieve the same student learning outcomes. Gavilan College offers courses and programs oriented toward transfer and career and technical education (CTE).

The Consortium program consists of three state-approved courses of study including Basic Academy training in Law Enforcement, Fire Services and Emergency Medical Technician. Students will receive the requisite skills and knowledge to enter into one of these public safety professions, provided they meet any and all other State mandated requirements. The program also includes state-approved continued professional education courses required for promotion and career enhancement. This program meets the rigor and academic standard of all programs at Gavilan College, and has met the requirements for student learning outcomes at the course and program levels.

E.10. Academic Credit

Academic credit is based on Title 5 Section 55002.5 of the California Administrative Code of Regulations. The Curriculum Committee makes recommendations to the Academic Senate who in turn makes recommendations to the Board of Trustees regarding changes in the curriculum.

E.11. Student Learning and Achievement

Gavilan Joint Community College District identifies and assesses Student Learning Outcomes for all courses, Student Service programs, degrees and certificates, including the Consortium Program and its courses. In an effort to improve effectiveness, the college is on a continuous improvement cycle.

The Consortium program learning outcomes are based upon state skills and knowledge requirements for each public safety discipline. The Program Learning Outcomes for each are stated in the College catalog and the College website.

E.12. General Education

General education courses require students to demonstrate competence in English Language, Communication and Critical Thinking; Scientific Inquiry and Quantitative Reasoning; Arts and Humanities; Social Sciences; Life-long Learning and Self-development; and Cultural Diversity. Writing and mathematics and serve as introductions to natural sciences, social and behavioral sciences, humanities, and language and rationality (Title 5, Section 55806). All general education courses go through a review process to ensure that they meet appropriate academic standards and are consistent with statewide practices.

Within the Consortium Program, the GE requirements will develop the student's abilities to think

and communicate clearly both orally and in writing, to use mathematics and employ scientific method, to understand modes of inquiry in major disciplines, to be aware of other cultures and eras, to apply critical thinking to contemporary issues, and develop the capacity for self-understanding and improvement. The offering of GE classes at the same location as the Consortium program is a welcome addition to reinforce basic skills and assist students in achieving their educational goals.

E.13. Academic Freedom

The College's academic freedom standards are defined in Board Policy BP 4030, under Chapter 4 - Academic Policy http://www.gavilan.edu/board/policies/ApprovedChapter4BPAP.pdf
The policy ensures that all students and faculty members are entitled to freedom of expression and that also applies to all courses and programs delivered at the Coyote Valley Site.

E.14. Faculty

The College has 74 full-time faculty and 214 part-time faculty, which all meet the minimum qualifications of the respective disciplines as defined by Gavilan and the California Community College State Chancellor's Office. The names and degrees of full-time faculty are published in the catalog. Faculty is required to complete training prior to teaching online courses.

The Consortium Program employs over 200 part-time faculty who meet the minimum qualifications for the public safety disciplines as defined by Title 5 and the Academic Affairs Division of the California Community Colleges Chancellor's Office. The South Bay Consortium faculty have either an Associate's Degree and 6 years of experience or a Bachelor's Degree and 3 years of experience. All faculty are regularly evaluated. The Consortium Vice President of Academic Affairs and Vice President of Law Enforcement Services provide management oversight of the faculty assignment and evaluation.

E.15. Student Services

Gavilan College develops student service programs to meet the educational needs of the students. Programs and services are published in the catalog and promoted widely through the campus website. Students can apply to the College, apply for financial aid, register for classes, contact a counselor, go through orientation, and receive help with writing and research online.

Student Support at the Coyote Valley Site will include essential educational support services for students and faculty in two phases. Phase I will include immediate student services required for initial instructional delivery. Phase II will offer enhanced services based on analysis of the first year of general and Career Technical Education instruction.

The following Phase I student services will be provided at the Coyote Valley Site:

Administrative: Basic administrative support will be provided Monday through

Friday 8:00 am - 5:00 pm. for faculty and students at the Coyote Valley Site. The administrative office will provide staff services such as mail, reprographics and support for faculty needs. Gavilan College will manage all fiscal functions for the Coyote Valley Site from the main campus in Gilroy. Services will include financial aid, counseling and registration services.

<u>Bookstore</u>: Space will be designated in the Coyote Valley Site for Bookstore functions. The Gavilan College bookstore will provide full access to students at the beginning of each semester as well as 24-hour access through the online bookstore. Vending machines with basic supplies such as Scantrons, green books, etc. can give students onsite access to these items.

Admissions and Records: Gavilan College uses the Banner data system for registration and scheduling. The MyGav portal allows students to add and drop classes, pay fees, check their student email, access all-campus messages, use Library and Degree Works resources, and more. They can also access grades and unofficial transcripts. The Coyote Valley Site staff will assist students and provide follow up services. Application to the college is also online, through CCCApply.

<u>Assessment</u>: Gavilan College uses the Accuplacer program, which gives students the results of their assessment tests immediately after completion. The Assessment Office, located on the Gilroy campus, will schedule onsite placement exams at the Coyote Valley Site on a regular basis.

In addition, South Bay Regional Public Safety Training Consortium provides pre-employment assessment, training, testing and courses to assist students to prepare for the public safety Basic Courses/Academies.

<u>Counseling:</u> General and categorical counselors will provide scheduled counseling appointments onsite at the Coyote Valley Site to assist students with registration, educational planning, and other counseling needs.

<u>Security:</u> The site will be under the jurisdiction of the County of Santa Clara Sheriff's Department. Site security will be managed by the Gavilan College Security Department.

<u>Food Services</u>: Limited food services (vending machines) will be available for the student and staff use. Restaurants, fast food and basic grocery establishments are available within a 5-mile radius of the Coyote Valley Site.

Transportation: The Coyote Valley Site will have access to the Santa Clara Valley Transit Authority (VTA) bus system. Mass transit will be emphasized, although sufficient parking is included in the plan. The campus is served by bus line 68, which runs along Santa Teresa Blvd from San Jose to Gilroy, giving students from throughout the district access to the Coyote Valley Educational Center. The VTA-68 also provides connections to the VTA light rail in San Jose, Cal train in Morgan Hill and Gilroy, local buses in Morgan Hill and Gilroy, and the San Benito County Express. Public Information, Marketing and Communications: These services as they relate will continue to be coordinated by the Gavilan College Public Information Office. Outreach activities will be coordinated by the Gavilan College Outreach Office.

The Disability Resource Center (DRC): DRC will assist students with disabilities. These services include testing accommodations, access to assistive technology and alternative text publications. Gavilan College technology is Section 508 compliant and accessible for all users.

E.16. Admissions

Admissions policies are consistent with the College mission and conform to state law. The policies are codified in Board Policies, Chapter 5 – Student Services http://www.gavilan.edu/board/policies/ApprovedChapter5BPAP.pdf
They are published in the catalog and on the Gavilan College website.

E.17. Information and Learning Resources

The College has appropriate and sufficient information and learning resources to support student success. The physical resources include more than 100,000 owned books/subscribed ebooks and AV materials; and 50 magazine subscriptions. The Library also subscribes to approximately 40 online databases that provide access to millions of full-text articles. Research and support services are also available online. In addition, the Library maintains an open computer lab, laptops for checkout and group study rooms, and many other learning spaces where students can complete course work.

The Consortium will maintain a Resource Center of text, videos and CDs at the Coyote Valley Site, as well as a Bookstore for faculty and student supplies specific to the public safety program, as well as for all students at the Coyote Valley Site.

E.18. Financial Resources

Most College financial resources come from the State of California. Additional funding is obtained from federal, state, and private sources. All funds are carefully tracked and documented. For many years, the College has allocated adequate financial resources to support the immediate and potential growth needs of the Consortium Program. The College maintains conservative financial management policies and practices that ensure continued fiscal stability for the foreseeable future.

<u>Financial Aid:</u> Coyote Valley Site staff will provide students with financial aid application information and assistance. Staff will inform students about the available federal, state and private funds available. These services will be provided on a drop-in basis or by appointment, and will be coordinated with the support of the Gavilan College Financial Aid Office.

<u>Categorical support programs:</u> Referrals to specialized support services will be coordinated with main campus Gavilan College programs and services to enhance student access, retention and success. Students will be able to participate in student services such as CalWORKs, TRiO and EOPS. Programs to support foster youth, military veterans and TRIO and supportive services are also available.

E.19. Institutional Planning and Evaluation

The District plans are developed based on an established yearly planning cycle. The cycle begins with each division's and administrative area's plan, which is based on individual program plans and reviews; and other input from campus committees. These committees include: Budget Committee, Academic Senate, and Enrollment Management among others. The College Council is responsible for integrating the division and area program plans into a cohesive, integrated strategic planning document. The integrated College plan includes support materials and data used by the divisions and areas in the development of their individual planning documents and recommendations.

E.20. Integrity in Communication with the Public

The College's mission is articulated in the College's catalog, the Educational Master Plan and Strategic Plan. The College catalog, the District schedule of classes and the Consortium Program are available via the Gavilan College website and provide current information on: degrees and curricular offerings, student fees, cost of degree and certificate estimates, financial aid, refund policies, admissions policies, transfer requirements, hours of operation and appropriate contact information. The College also issues press releases and purchases newspaper, online, radio and television advertisements to make the public aware of important dates and special events.

E.21. Integrity in Relations with Accrediting Commission

The College is in good standing with the Accrediting Commission. The College consistently and promptly complies with all Commission requests for information.

The Consortium programs are currently certified by the Commission on POST, State Fire Marshal, and Santa Clara County Emergency Management Services Agency (EMSA). The Consortium is in good standing with the certifying agencies and responds promptly to all requests for information or assistance.

F. Accreditation Standards

Gavilan College is a fully accredited institution. Its accreditation was reaffirmed without sanction in July 2013. All courses and Consortium operations at the Coyote Valley Site will maintain the same standards as classes held on the main Gilroy campus.

Standard I: The College mission guides the delivery of the Consortium Program and all courses presented at the Coyote Valley Site, and is critical to helping students meet their educational and career goals. The College mission provides the framework for developing the College's strategic goals and serves as a reference and guide as new plans are made to support student success. Programs, services, and courses are on a continual review cycle to ensure academic quality and

institutional effectiveness. Student Learning Outcomes are defined in all programs and courses and are assessed with frequency. Assessment data is shared with constituent groups to ensure the College maintains a continual improvement cycle.

In keeping with the College's mission, the Consortium was created "...to meet the educational and training need of public safety students within the areas represented by the participating community college districts... The mission will be accomplished in an effective and efficient manner to ensure the highest quality training for public safety professionals."

Standard II: The College ensures that all courses delivered by the Consortium and at the Coyote Valley Site adhere to the course outlines of record, are taught at the appropriate depth and rigor, and maintain the same learning outcomes as courses offered on the Gilroy Main Campus. All courses require approval by the Curriculum Committee and Board of Trustees.

The Consortium program and others offered at the Coyote Valley Site will undergo the same program review process as all other programs in the college. Program reviews are completed by each department every three to five years and include a Program Plan. This process includes a self-study report by a validation process. The Consortium Program completed the IEC process in 2014-15.

Student services are sufficient to help students meet their educational goals. Most matriculation requirements can be met through a combination of online and telephone services. Guidance through admissions, registration, financial aid, and counseling is available online, email and/or via telephone. The College Orientation has an online option and counseling offers telephone and online appointments. Students have access to online library resources and services as well as at the main campus.

Standard III. All District faculty, including South Bay Regional Public Safety Training Consortium faculty are hired and evaluated using the same procedures. All instructors must meet the minimum qualifications in their disciplines as recommended by the statewide academic senate and established by the board of Governors of the California Community Colleges and are on an evaluation cycle. Consortium administrators and staff are on an annual evaluation cycle. Consortium staff will act as a liaison to the main college campus.

The facilities at the Coyote Valley Site are adequate for the courses, number of sections, and number of students served by the Consortium. The site, equipment and technology will be maintained by the Consortium to ensure the safety of the students and are adequate to support instruction.

Standard IV: The College has implemented the integrated planning cycle that is documented in the Educational Master Plan (2013). In addition, the College follows a participatory governance model in which faculty, students, staff, and administrators serve on key committees and share in decision-making processes. Institutional committees report findings and recommendations to Instructional Council, Student Services Council, and/or Academic Senate. As appropriate, these

recommendations are then reported to College Council and/or the Board of Trustees for final consideration.

The South Bay Regional Public Safety Training Consortium is a Joint Powers Agency comprised of nine Community College Districts in San Mateo, Santa Clara, San Benito, Alameda, Santa Cruz, Monterey Counties. The Consortium is governed by a Board of Directors comprised of leadership from each of the member colleges, currently Chaired by Dr. Walter Tribley, President of Monterey Peninsula College. The Consortium meets with the Board on a quarterly basis and reports issues, concerns, accomplishments and updates on the program as necessary. The Consortium has a proven track record of producing successful public safety professionals for over 20 years. Conceived out a modest California Chancellor's Office Grant, the model has stood the test of time, only expanding and evolving with the needs of the State, its member colleges and the students.

(Appendix E)

Appendices

Appendix A - Consortium Agreement and Bylaws

BYLAWS

I. MEMBERSHIP OF

Membership in the Consortium shall consist of the following community college districts and/or individual colleges of a multi-college district: Gavilan College, San Jose Evergreen Community College District, Hartnell College, Monterey Peninsula College, College of San Mateo, Ohlone College, Foothill College, Mission College, Lake Tahoe Community College and Cabrillo College. Additional members may be added by two thirds vote of the Board of Directors

II. BOARD OF DIRECTORS

The JPA shall be governed and administered by a Board of Directors. The Board shall have and exercise all the powers of the JPA in a manner consistent with these Bylaws and the JPA Agreement.

- A. Selection of Board. The Board of Directors shall consist of one representative and one alternate representative from each member Community College or District who shall be appointed by the Governing Board of the member Community College or District, and who shall serve at the pleasure of the appointing Board. Only the designated representative (or the designated alternate in his/her absence) may cast the College/District's vote at a Board meeting. The designated representative or designated alternate may invite members of their agency's staff or consultants to attend meetings of the Board in an advisory capacity.
- B. Officers. The Board shall elect a Chair, a Vice Chair, and a Treasurer from among the member College/District representatives who shall each serve a two-year term. The Board may make these terms staggered so that they do not expire simultaneously.
- C. Actions of the Board. The Board shall act only through the vote of a majority of its members present and constituting a quorum cast at a duly-noticed meeting of the Board. A quorum shall consist of a majority of the members. Each member shall have one vote.
- D. Meetings. The Board shall meet a minimum of one (1) time per year, at locations within the boundary of the member College/Districts. All Board meetings shall comply with the notice, agenda, and other requirements of the Brown Act as defined by Government Code section 54950 et seg. The Board shall receive communications at

the JPA's business office.

E. Employees.

- (1). President/Chief Executive Officer (CEO). The Board shall employ a President/Chief Executive Officer (CEO) pursuant to a written employment agreement. President/CEO shall serve as the Secretary of the Board; shall attend all Board meetings; shall keep and maintain its minutes, resolutions and other writings reflecting Board action; and shall serve as the Chief Executive Officer of the JPA. The President/CEO shall report to, and be periodically evaluated by the Board, and shall have the following duties, among others; preparing agendas and other writings necessary for meetings, implementing Board policies and directives; supervising and evaluating managers who report to him/her; preparing budget documents for review and approval by the Board; preparing operational procedures for Board review and approval; communicating and coordinating with member Colleges/Districts and any other agencies regarding funding, certification of curriculum, College/District Board determinations of minimum qualification, and any other JPA business; establishing qualifications for hiring faculty and staff; facilities and equipment; review and recommendations to the Board regarding contracts and purchases; providing overall leadership to the JPA.
- (2) Other Employees. The Board shall employ other persons to fill positions for administrative operational and instructional staff, on a full time, part time or such other basis as the Board determines, upon recommendation of the President/CEO.

III. AMENDMENT OF BYLAWS

Bylaws may be amended by a 2/3rds vote of the Board of Directors.

IV. FUNDING

Prior to April 14th of each year each member shall pledge to the JPA, on a form or document provided by the JPA, an amount of at least 25 FTES for courses to be offered by the JPA during the next ensuring fiscal year, using as a basis, a dollar amount equal to sixty percent (60%) of the College/District's previous year's funded apportionment rate as described on Exhibit C of the P2 Apportionment Notice. The Board may, upon two-thirds vote, waive some or all of a member College/District's annual 25 FTES minimum pledge in those instances where the requesting member provides substantive and quantitative support, either fiscally or physically, to the JPA and the community.

The JPA shall indicate acceptance of the pledge in writing. Once accepted each pledge shall be a contractual obligation of that member to the JPA. Each member

College/District shall make payment so pledged to the JPA in ten (10) equal payments beginning on August 1st following the April pledge and ending with final payment on May 1st thereafter. Failure to make timely payment shall be grounds for disciplinary withdrawal of that member. The JPA shall assign enrollment to the pledging College/District reflecting its FTES pledge. Each member College/District shall be responsible for capturing State apportionment funding for the FTES it has pledged to the JPA.

V. POWERS AND DUTIES OF THE TREASURER

- A. The Treasurer shall perform the role of Chief Financial Officer under the agreement, and shall assume the duties described in Sections 6505.1, 6505.5 and 6505.6 of the California Government Code as follows:
- 1. The Treasurer shall, pursuant to Government Code 6505.6, perform the duties of Treasurer and Auditor and shall comply with the duties and responsibilities set forth in subdivision (a) to (d), inclusive of Government Code section 6505.5
- 2. The Treasurer shall receive and receipt all money of the agency and place it in the treasury of the SBRPSTC so designated in the appropriate account of the SBRPSTC.
- 3. The Treasurer shall be responsible, upon his or her official bond, for the safekeeping and disbursement of all agency money so held by him/her.
- 4. The Treasurer shall pay, when due, out of money of the SBRPSTC so held by him/her, all sums payable on outstanding claims authorized by the Board.
- 5. The Treasurer shall pay any other sums due from the dissolution of this agreement as provided in the JPA Agreement and Bylaws.

VI. DISPUTE RESOLUTION

Whenever an unresolved dispute arises as to any matter concerning SBRPSTC, it shall be submitted and referred as follows:

- 1. The matter shall first be presented to the President/CEO for resolution.
- 2. In the event that a matter remains unresolved, the matter shall be submitted to the Board for resolution. The Board's determination shall be final, subject to review only by of petition for writ of mandate in a Court of competent jurisdiction.

VII. DELEGATION

The Board shall, by written resolution, periodically delegate to its President/CEO and such other administrative employees as it deems prudent, the authority to make contracts for the Board including the power to purchase goods and services; and the authority to countersign payroll warrants. Such delegation shall set forth the terms of and limitation upon the delegated powers, and the necessity for review and ratification by the Board of the exercise of delegated powers.

South Bay Regional Public Safety Training Consortium JOINT POWERS AGREEMENT

This is a Joint Powers Agreement among those community college districts signatory to this Agreement for the purpose of establishing, operating, and maintaining public safety training under the "South Bay Regional Public Safety Training Consortium" a joint powers agency.

This Agreement is entered into pursuant to the provision of Section 6500, et seq., of the California Government Code for the benefit of the community college districts signatory hereto (and also those which may hereafter become signatory hereto), for the purpose of operating a Program to be known and designated as, "South Bay Regional Public Safety Training Consortium" hereinafter designated as "SBRPSTC"; and

WHEREAS, it is to the mutual benefit of the parties herein subscribed and in the best public interest of said parties to join together to establish this Joint Powers Agency to accomplish the purposes hereinafter set forth; and

WHEREAS, the signatories hereto have determined that there is a regional need to provide public safety training; and

WHEREAS, Section 6502 of the Government Code of the State of California authorizes joint exercise by two or more public agencies of any power common to them;

NOW, THEREFORE, FOR AND IN CONSIDERATION OF THE MUTUAL ADVANTAGES TO BE

DERIVED THEREFROM, and in consideration of the execution of this Agreement by said community colleges, each of the parties hereto does hereby agree as follows:

 CREATION OF THE SOUTH BAY REGIONAL PUBLIC SAFETY TRAINING CONSORTIUM Pursuant to Title I, Division 7, Chapter 5 of the Government Code, there is hereby created a public agency, separate and apart from the parties hereto, to be known as South Bay Regional Public Safety Training Consortium, hereinafter designated as SBRPSTC.

SBRPSTC shall have the powers common to the participating districts and is hereby authorized to do all acts necessary for the exercise of said common powers, including but not limited to, any or all of the following: to make and enter into contracts; to employ personnel, to incur debts, liabilities or obligations; to acquire, hold or dispose of property; to receive gifts, contributions, and donations of property, fund services, and other forms of assistance from persons, firms, corporations and any governmental entity; and to sue and be sued in its own name. Said powers shall be exercised in the manner provided in the law, and except as expressly set forth herein, subject only to such restrictions upon the manner of exercising such powers as are imposed upon community college districts in the

- exercise of similar powers.
- 2. PURPOSE The purpose of SBRPSTC shall be to provide training and educational programs that will be responsive to the needs of public safety agencies within the region served by the JPA.
- 3.A. MEMBERSHIP Each party to this Agreement must be eligible for membership in SBRPSTC as defined in the Bylaws, and is entitled to the rights and privileges, and is subject to the obligations of membership, all as are provided in this Agreement.
- 3.B. COURSE OFFERINGS All members of SBRPSTC agree to the following: Not to offer additional courses in the discipline(s) assigned to the SBRPSTC in any format including credit, non credit or contract instruction.
- 3.C. APPROVAL OF INSTRUCTIONAL PERSONNEL BY SBRPSTC MEMBER DISTRICTS Instructional personnel recommended by the SBRPSTC staff to teach a course(s) offered through the Consortium shall be employed via a contract with one of the participating college districts. All personnel so approved via such contract, shall meet the minimum qualifications for teaching in the appropriate discipline(s) per Title Five of the California Administrative Code of Regulations. Such personnel shall be designated as the instructor of record for courses approved and offered by each member college.
- 4. EFFECTIVE DATE This Agreement shall become effective on July 1, 1995.
- 5. TREASURER This Agreement, pursuant to Government Code section 6505.6, herewith establishes the Office of Treasurer. The Office of Treasurer shall be selected as determined by the Board of Directors.
- 6. GOVERNANCE Shall be governed by a Board of Directors selected according to the provisions of the Bylaws.
- 7. BYLAWS The JPA shall be governed pursuant to those certain Bylaws, a copy of which is attached hereto as Exhibit A, which may be amended by the Board of Directors pursuant to the provisions set forth herein. Each party to this agreement is bound by their provisions, and further agrees that SBRPSTC shall be operated pursuant to this Agreement and said Bylaws.
- 8. AFFIRMATIVE ACTION POLICY STATEMENT The SBRPSTC is committed to a policy of affirmative action in its hiring procedures, and with the assistance of all SBRPSTC staff, the Governing Board of the SBRPSTC assures that all employees and applicants for positions in the SBRPSTC will have equal opportunity for employment regardless of race, color, sex, religion, national origin, age, disability, status as Vietnam-era veterans, marital status, political beliefs, or sexual orientation.

- 9. ADDITIONAL PARTIES Additional parties may become members of the SBRPSTC in accordance with the provisions of the Bylaws.
- 10. RECORDS The Treasurer shall maintain records separately identifying the expenses incurred in the performance of the duties described herein. The Executive Director shall maintain records of the Minutes of the Board of Directors meetings and such other official records of the SBRPSTC as required by law.
- 11. TERM, TERMINATION, AND DISSOLUTION OF JOINT POWERS AGREEMENT.
- A. <u>Term and Extension</u>. The Joint Powers Agreement shall become effective on July 1,1995, and continue thereafter as determined by the participating members. A 2/3rds majority of the members of this Joint Powers Agreement may terminate this Joint Powers Agreement at any time provided all parties and all members have been notified at least 60 days in advance. In the event that training programs are in progress, the closing date shall be extended to the end of the (semester or quarter) for that training.
- B. <u>Withdrawal.</u> Any party may withdraw from participation in this Agreement by providing written notice to the Board of Directors not less than 60 days prior to June 30th of any year. Withdrawal shall be effective on June 30 following delivery of said notice. Withdrawing parties shall be liable for their portion of costs and obligations up to the date of withdrawal. Withdrawing parties shall remain obligated to pay for any legal liabilities incurred and or originating prior to the effective date of withdrawal.
- C. <u>Dissolution</u>. In the event this Joint Powers Agreement is dissolved, the distribution of any assets remaining after meeting all financial obligations, shall be distributed as determined by a 2/3rds majority vote of the Board of Directors. Should the Board of Directors not make such a determination, the cumulative FTES generated by each active member at time of dissolution shall determine that members proportionate share of such assets.
- 12. SEVERABILITY Should any portion, term, condition or provision of this Agreement be decided by a court of competent jurisdiction to be illegal or in conflict with any law of the State of California, or be otherwise rendered unenforceable or ineffectual, the validity of the remaining portions, terms, conditions, and provisions shall not be affected thereby.
- 13. ASSIGNS No party to this Joint Powers Agreement may sublet, assign, or transfer any interest in this Joint Powers Agreement without the written consent of all of the parties thereto.

- 14. HOLD HARMLESS All parties to this Agreement shall indemnify, defend and save harmless each other and their respective officers, agents, and employees from all loss, expense, claims, liability for injury or damage to any property arising out of, or in any manner connected with, the performance and operation of the terms of this Agreement.
- 15. DEBTS, LIABILITIES AND OBLIGATIONS The debts, liabilities and obligations incurred in the administration of this Agreement shall not constitute any debt, liability or obligation of any of the individual members to this Agreement.

The parties have caused this Joint Powers Agreement to be signed in their behalf by their duly authorized representatives on this First day of August, 1998, by the following signatory community college districts.

Appendix C - Social/Demographic/Labor Market Snapshot

Social & Demographic Analysis of Service Area

South Bay Regional Public Safety Training Consortium is a Regional Training Consortium created in response to a California Community College Chancellor's Office Grant. The South Bay Joint Powers Agency (JPA) has operated for approximately 20 years primarily in the greater Bay Area. The JPA currently includes 9 Community College Districts from the counties of El Dorado, Alameda, San Mateo, Santa Clara, San Benito to Monterey. Due to the vast service area, the student and general population covered by the Consortium is extremely diverse relative to its social and demographic complexion. Overall, the population in the incorporated and unincorporated areas within the service region is approximately 50% white, 23-28% Hispanic or Latino, 10-23% Asian, 5-7 % African American, 1% Native Hawaiian, and 4-5% "two or more races". 65% of the region residents are between the ages of 18 and 64 years with approximately 42% securing a higher degree or professional certificate. These figures are a snap-shot of the region and will vary between specific College districts (U.S. Census Bureau, 2010). The JPA's service region boasts the highest level of ethnic diversity. Current analysis suggests the largest percentage increase will be in the Asian and Native Hawaiian communities followed the Hispanic or Latino community. Within the JPA region, Santa Clara County is the fastest growing county within the state. Predictions suggest it will grow by 47% in the next forty years. Monterey and San Benito counties are expected to realize substantial growth as well (ABAG, 2013).

White	Hispanic/Latino	Asian	African Amer	Native HI	2+ Races
50%	23-28%	10-23%	5-7%	1%	4-5%

^{*} Approximate demographics within the region.

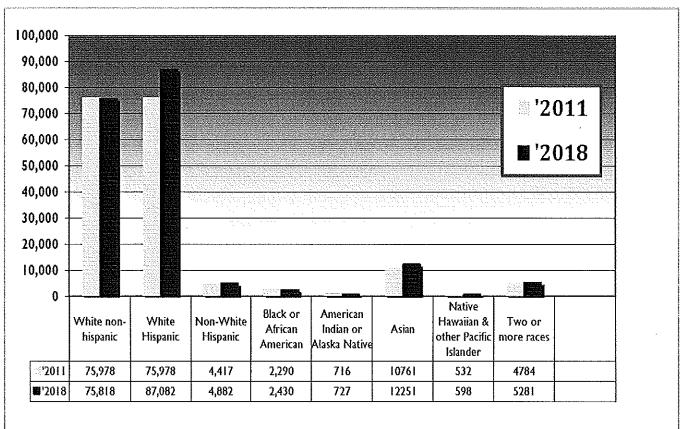

Historically, the South Bay JPA has provided training to a similarly diverse student population. Due to the physical nature of the Public Safety Profession, as well as other legal requirements and restrictions (i.e. citizenship, educational requirements, criminal history), the South Bay JPA student base is skewed somewhat toward white male students yet trends closely with demographic of the region.

White	Hispanic	African Amer	Asian/Pac Isl	Native Amer
60%	21.6%	6.1%	9.6%	1.7%
	Male		Female	
	68%		32%	

^{*} Representative of the demographic over the last five year period.

Gavilan College

Figure 7: Service Area ethnic distribution and projected growth

Note: White-Hispanic is a definition used by the United States Census Bureau. Hispanic or Latino people are those who report origins in Spain or Hispanic Latin America, and they may be of any race. Thus, each race, including White American, comprises individuals who are Hispanic or Latino and individuals who are not Hispanic or Latino (Data obtained by report generated by the Centers of Excellence, 2011)

Socioeconomic Profile of Service Area / Present & Future Labor Market (Area, Region, State)

The JPA's vast service area also lends to a substantial variance in the economic profile. The communities incorporate new growing families and retirement residents. The per capita income for the counties in the region range from \$24,995 to \$45,458 with the statewide per capital income at \$29,551 (U.S. Census Bureau, 2012). It is noted there are large disparities between income levels relative to individual cities within the counties as well.

Approximately 34% of the population is foreign born nationals, which provide for challenges and opportunities. The multiplicity of languages, the under educated and difficult to employ population equates to additional social and education services for the JPA target populations and are expected to realize the greatest growth over the next decade. Generally over the past ten years public safety professionals have experienced a steady decline of employment opportunities. Only recently has the market shown a slight increase in the employment opportunities, with most agencies experiencing annual vacancies, which will need to be filled, between 5% and 15% of their workforce; depending upon the agency and discipline.

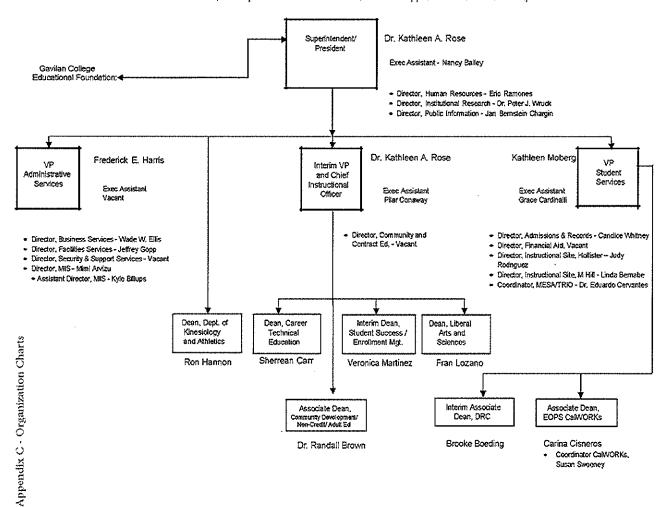

Table 14: Public Safety Professions

Professions	Law Enforcement Officer	Firefighter	Lifeguard (other health occupation)	Corrections	Homeland Security (other public protection)
Success	5,574	848	629	2,074	51

GAVILAN COLLEGE ORGANIZATION CHART MANAGEMENT STRUCTURE AS OF AUGUST 26, 2016

The college administrative organization structure provides the vehicle for effective communication and collaboration, the implementation of decisions, and the support structure for the campus.

South Bay Regional PSTC

Appendix E – South Bay Regional PSTC History

February 1992 in Assembly Concurrent Resolution No. 93, the community colleges were tasked with providing "sufficient public safety training courses to satisfy State-mandated training requirements, participate in regional consortiums of community colleges in order to minimize duplication of training courses, and make training programs more readily available." The colleges had been offering these courses in standard Semester and Quarter term formats, generally failing to obtain the required attendance numbers to run the courses. Thus, active public safety personnel began to fall out of compliance with certifications and legal mandates.

As a result of this resolution and the issues with servicing the needs of the target student population, a Public Safety Committee was convened by the State of California, comprised of members from the Community Colleges, Police, Corrections, Hazardous Materials and Fire practitioners, and the State Chancellor's Office. The Committee was tasked with identifying ways to deliver high quality training and education to entry level students and working professionals within the Public Safety professions. This committee initiated a State-wide Request For Applications (RFA) for grant funding through the Community College Chancellor's Office Public Safety Educators Advisory.

In July 1993 Evergreen Valley College, Criminal Justice Training Center was awarded a grant from the California Community College Chancellor's Office to analyze the feasibility and develop "Public Safety Model of Education Program" in a "Regional Consortium": Reference Project #93-0070. South Bay Regional Public Safety Training Consortium (SBRPSTC) was born out of this grant. Evergreen Valley College and Gavilan College were the first two colleges to enter into the Joint Powers Agreement on October 6, 1994, as a continuing pilot for an additional year. The Joint Powers Agreement provided SBRPSTC the "powers common to the participating districts" and "authorized (SBRPSTC) to do all acts necessary for the exercise of said common powers" pursuant to the provisions of Section 6500, et seq. of the California Government Code.

The pilot proved to be more successful for students and the colleges than expected and subsequently additional colleges joined the Consortium through the Joint Powers Agreement. By the end of the pilot the Consortium was five (5) colleges strong and negotiations were underway for additional colleges to partake. By August 1996, in a letter authored by Dr. Susan Oliviera to Dr. Leo Ruelas, SBRPSTC advised the California Community College Chancellor's Office that the Consortium included seven (7) college districts, had been awarded additional Chancellor's grant funding to develop and offer new training programs to meet the needs of the public safety students. At the recommendation of the Chancellor's Office, all instructors recommended by SBRPSTC meet the minimum qualifications as designated through Title 5 and approved by "one of the participating SBRPSTC College Boards." "The faculty are then considered approved by all the member colleges to teach in the SBRPSTC course offerings."

SBRPSTC continued to prove to be beneficial in serving the public safety community, those seeking employment and those employed, as well as being more efficient and cost effective for the member colleges. During the 1994-95 pilot SBRPSTC successfully generated in excess of 615 FTES. Although the commitments from the colleges have fluctuated over the years, SBRPSTC has been able to maintain training and services to public safety students at all educational levels, and currently generates a combined total of approximately 2400 FTES for the nine (9) member colleges.

The structure and efficiencies of organization have allowed SBRPSTC to expand the services offered to students not currently employed within the public safety profession. SBRPSTC is able to prove a single location to students for the pre-employment testing procedures (written and physical abilities) for law enforcement, dispatch and fire services. We offer pre-employment courses that assist the students in preparing for the Basic Academy, and the challenging employment processes including testing, interviewing and completion of required documents. In addition, we provide perishable skills update training so students can maintain the requisite skills and certifications necessary to secure employment, and keep current on the ever changing legal implications associated with the public safety profession.

Since its creation, SBRPSTC has worked in concert with our member colleges to articulate courses, follow procedures and meet the needs of the student population in the most effective and efficient manner possible.

2016 Gavilan College Student Success Scorecard

Gavilan College was established in 1919 in the city of Hollister, and eventually became part of the Gavilan Joint Community College District. The district is comprised of 2,700 square miles encompassing southern Santa Clara and most of San Benito County. Gavilan College offers a wide range of services, including programs of community education, study in the liberal arts and sciences, and study in the pre-professional, business, vocational and technical fields. Courses and programs of study are offered days, evenings, weekends and online.

To be included in the official California Community College Chancellor's Office scorecard report, students must meet four characteristics:

- 1. The student must be a first time student in the entire CCC system
- 2. The student must have a valid SSN
- 3. The student must earn six units with a grade of A, B, C, D, or P within the first three years (in this case, between 2009 and 2012)
- 4. Students must have attempted a Math or English course within the first three years

The CCCCO uses these definitions because national research has shown that students meeting these characteristics typically intend to earn a credential and/or transfer to a four year university. For Gavilan, the CCCCO's definition eliminates about half of our first time student cohort in a given fall term.

Using the identified cohort, this table presents the completion rates (i.e., earning a credential or becoming transfer-ready) for all students.

Date: 11/2/2016

Gavilan College was established in 1919 in the city of Hollister, and eventually became part of the Gavilan Joint Community College District. The district is comprised of 2,700 square miles encompassing southern Santa Clara and most of San Benito County. Gavilan College offers a wide range of services, including programs of community education, study in the liberal arts and sciences, and study in the pre-professional, business, vocational and technical fields. Courses and programs of study are offered days, evenings, weekends and online.

Agenda Approval: Dr. Kathleen A. Rose, Superintender	M/President

GAVILAN BOARD OF TRUSTEES MEETING NOVEMBER 8, 2016 CURRICULUM SUMMARY

NEW COURSE PROPOSAL - SECOND READING

CSIS 575 Assistive Computer Technology for Reading and Writing 1 Unit, 1 Lec, 0 Lab This course provides instruction in effective use of assistive computer technology for reading and writing assistance. Students with disabilities will learn how to use text-to-speech and word prediction programs for improved reading, writing and study skills. Special emphasis will be placed on reading comprehension, vocabulary development, prewriting and editing for correct usage and research facilitation.

JFT 8A Firefighter I Academy Skills Review and Certification 1.5 Units, 0 Lec, 4 Lab This course reinforces, combines, and integrates the skills learned in the basic fire academy in accordance with the State Fire Marshal Firefighter 1 curriculum. Students are provided the opportunity to take the National Capstone tests for International Fire Service Accreditation Congress (IFSAC) and National Board on Fire Services Professional Qualifications (Pro Board) certifications. Successful completion of this course provides the student with the opportunity to apply for employment as a firefighter in the state of California and outside of California with those states that offer reciprocity.

JFT 227 Chief Fire Officer 3A Human Resource Management for Chief Fire 1 Units, 0.67 Lec, 0.67 Lab

This course provides students with a basic knowledge of the human resources requirements related to the roles and responsibilities of a Chief Fire Officer including developing plans for providing employee accommodation, developing hiring procedures, establishing personnel assignments, describing methods of facilitating and encouraging professional development, developing an ongoing education training program, developing promotion procedures, developing proposals for improving employee benefits, and developing a measurable accident and injury prevention program.

JFT 228 Chief Fire Officer 3B Budget and Fiscal Responsibilities 0.5 Units, 0.441 Lec, 0.58 Lab

This course provides students with a basic knowledge of the budgeting requirements related to the roles and responsibilities of a Chief Fire Officer including developing a budget management system, developing a division or departmental budget, and describing the process for ensuring competitive bidding.

JFT 229 Chief Fire Officer 3C General Administration Functions 1 Units, 0.67 Lec, 0.67 Lab

This course provides students with a basic knowledge of the administration requirements related to the roles and responsibilities of a Chief Fire Officer including directing a department record management system, analyzing and interpreting records and data, developing a model plan for continuous organizational improvement, developing a plan to facilitate approval, preparing community awareness programs, and evaluating the inspection program of the AHJ.

JFT 230 Chief Fire Officer 3D Emergency Service Delivery Responsibilities 1 Unit, 0.57 Lec, 0.8 Lab

This course provides students with a basic knowledge of the emergency service requirements related to the roles and responsibilities of a Chief Fire Officer including developing a plan for the integration of fire services resources, developing an agency resource contingency plan, evaluating incident facilities, supervising multiple resources, developing and utilizing an incident action plan, obtaining incident

information to facilitate transfer of command, developing and conducting a post-incident analysis, and maintaining incident records.

JFT 300 Company Officer Academy

2 Units, 1.4 Lec, 2.5 Lab

This course provides the knowledge and skills necessary for developing aspiring company officers. Topics include leadership, progressive discipline, Fire Fighter Bill of Rights, performance appraisals, report writing, fire investigation, command operations, post incident analysis, mutual aid communication plan, disaster relief response, and special operations/ wildland.

JFT 305 Outdoor Emergency Care

3 Units, 2.24 Lec, 4.71 Lab

This 125 hour course is designed to prepare students to render prehospital basic life support services, including cardiopulmonary resuscitation, with emphasis on field application practices and techniques vital to the interaction of Outdoor Emergency Care Technician with all levels of emergency medical personnel. Students will acquire the knowledge and skills necessary to provide emergency medical care at a basic life support level with a fire, ambulance, or other specialized service. This course is instructed in compliance with Department of Transportation (DOT) regulations and the California Code of Regulations.

MODIFICATION OF EXISTING COURSES

BOT 182 Medical Office Procedures

3 Units, 3 Lec, 0 Lab

Update course. Remove prerequisites as requested by the current instructor of the course. Change from lecture/lab to lecture.

ESL 542 Intermediate ESL Reading, Vocabulary II 3 Units, 3 Lec, 0 Lab

Add ESL 537 to Prerequisite courses, as this course is currently being offered in place of ESL 532.

ESL 543 Intermediate ESL Grammar - Writing II 5 Units, 5 Lec, 1 TBA hour

Add ESL 537 to Prerequisites, as it being offered in place of ESL 533.

GUID 560 Individualized Learning Skills Development 1 Unit, 1 Lec, 0 Lab

Change Hours:

From 1 units, .5 Lec, 1.5 Lab

To: 1 Unit, 1 Lec, 0 Lab

Justification: This course is taught in a lecture format with some lab and online assignments. We would like to change it from lab to lecture format. In addition to individualized learning skills development curriculum for students with disabilities, it also includes the curriculum from the Guidance 210 orientation course which is designated as a lecture format.

JFT 3 Fire Mgmt I - Management/Supervisor for Company Officers

1 Unit, .77 Lec, 1.43 Lab

Change hours:

From 1 Units, .22 Lec, 2.1 Lab

To: 1 Unit, .77 Lec, 1.43 Lab

This is a required course for Level 1 Fire Officer certification.

JFT 5A Fire Investigation 1A

1 Unit, .45 Lec, 1.78 Lab

Change hours:

From 1 Unit, .22 Lec, 2.1 Lab

To: 1 Unit, .45 Lec, 1.78 Lab

This course provides California State Fire Marshal required training for fire investigators.

JLE 105 Correctional Officer Basic Academy

8 – 15.5 units, 5.5 – 11.11 Lec, 7.75 – 13.33 Lab

Update student learning outcomes, course description.

Change units:

From:

10.5 -14.5 units, 8.57 – 10.27 Lec, 7.41 – 14.85 Lab

To:

8 - 15.5 units, 5.5 - 11.11 Lec, 7.75 - 13.33 Lab

Justification: This course is designed to meet the California Corrections Standard Authority (CSA) requirements for entry level training of Correctional Officers for adult institutions.

JLE 121 Advanced Officer Training

.5 - 1 Unit, .35 - .5 Lec, .57 - 2.6 Lab

Change Units and hours:

From

2 Units, 1 Lec, 3.57 Lab

To:

.5 - 1 Unit, .35 - .5 Lec, .57 - 2.6 Lab

Add repetition. The state requires annual ongoing training for law enforcement.

JLE 166 Crime Scene and Forensic Photography

.5 Units, .45 Lec, .91 Lab

Update prerequisite and student learning outcomes.

Justification: This course provides POST required training for crime scene and forensic photography.

JLE 180 Law Enforcement Seminar

.5 - 2 Units, .57 - 1.02 Lec, .34 - 3.54 Lab

Add repeatability as "Legally mandated training"

The state requires annual ongoing training for law enforcement.

Update methods of Instruction, student learning outcomes and methods of evaluation.

KIN 8 Introduction to Sports Psychology 3 Units, 3 Lec, 0 Lab

The Department of Kinesiology and Athletics would like to modify this course to allow it to be taught online. The department would like the option of teaching this class face to face or online. This would be the second online class (both lecture) for the department. It is our hope that the flexibility in the teaching/learning format will allow the course to be taught during intersession and/or at other times which allow the student/instructor the flexibility of not having to travel to campus. The Distance Education and Distance Education Contact information has been completed. And since we are reviewing the course, we updated the textbook information to a new edition and completed information on SLO assessment dates.

KIN 15 Sports and Society

3 Units, 3 Lec, 0 Lab

Adding the option to teach this class in an online format by completing the Distance Education and Distance Education Contact information. We also updated the textbook to a newer edition and indicated the SLO assessment year.

WTRM 101 Introduction to Water, Wastewater Technology 3 Units, 3 Lec, 0 Lab
This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 102 Beginning Water, Wastewater, Distribution Math 3 Units, 3 Lec, 0 Lab
This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 103 Introduction to Electrical and Instrumentation Processes 3 Units, 3 Lec, 0 Lab This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 104 Motors and Pumps, Operation and Maintenance 3 Units, 3 Lec, 0 Lab
This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 105 Water Distribution 1

3 Units, 3 Lec, 0 Lab

This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 106 Beginning Water Treatment Plant Operation 3 Units, 3 Lec, 0 Lab
This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 107 Beginning Wastewater Treatment Operations 3 Units, 3 Lec, 0 Lab
This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 108 Water Distribution 2

3 Units, 3 Lec, 0 Lab

This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 109 Advanced Water Treatment Plant Operation 3 Units, 3 Lec, 0 Lab
This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 111 Advanced Wastewater Treatment Plant Operation 3 Units, 3 Lec, 0 Lab
This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 112 Applied Hydraulics

3 Units, 3 Lec, 0 Lab

This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 113 Beginning Wastewater Collection

3 Units, 3 Lec, 0 Lab

This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

WTRM 114 Laboratory Analysis for Water, Wastewater 3 Units, 3 Lec, 0 Lab
This course is on the 5yr update cycle. Updated to current textbook edition, updated SLO assessment dates.

WTRM 115 Supervision

3 Units, 3 Lec, 0 Lab

This course is on the five year review cycle. The content was reviewed, textbook updated to the most current edition, and SLO's were reviewed with information about assessment dates included.

GAVILAN COMMUNITY COLLEGE DISTRICT AND CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION, CHAPTER #270

Tentative Agreement 2016-2017 October 10, 2016

Gavilan Community College District ("District") and California School Employees Association, Chapter #270 ("CSEA") agree to the following:

1. Both parties agree to Article 23, Section 23.2 "Reopeners" as follows:

The first paragraph of Section 23.2 will state," For 2017-18 negotiations, the openers shall be two articles of each party's choosing in addition to Article 8 Compensation and Benefits and Article 12 Transfers and Reassignments"

- 2. Both parties agree to changes in Article 8 "Compensation and Benefits" Effective January 1, 2017, the maximum annual contribution by the District towards health benefit (medical, dental, vision, life insurance) costs for each classified employee will be set at the following limits:
 - a. Employee Only \$11,500
 - b. Employee + One Dependent \$22,000
 - e. Employee + Two or More Dependents \$28,500

Each classified employee will have the opportunity to meet with a benefits representative to discuss their medical plan options. If an existing member is unable to switch from the highest cost plan to a lower cost plan due to an extenuating circumstance, the District will continue covering the member's medical premium until December 31, 2017. If a classified employee is required to contribute to their current health plan based on the limits set, the District will cover the premium cost until June 30, 2017.

Effective January 1, 2017 classified employees will receive a three percent (3%) ongoing salary increase which modifies the existing salary schedule.

- 3. Both parties agree to Article 10 Hours, to add a pilot program for the 2017 summer schedule to allow some employees the option to work a 4-10 schedule. The participating departments and employees will be determined by the District in consultation with CSEA.
- 4. Both parties agree to Article 12 Transfers and Reassignments, 12.1 "Definitions" to revise the language:

- 12.1.1 A voluntary transfer is a permanent change in the location of a Unit Member's work and includes a change from one (1) work station to another.
- 12.1.2 A reassignment is a permanent change from one (1) classification to another classification. A lateral reassignment is a permanent change from one (1) classification to another classification having the same salary range. A promotion is a permanent change from one (1) classification to another classification having a higher salary range.
- 5. These changes will be effective upon ratification by CSEA Chapter 270 and the Governing Board of Trustees of Gavilan College.
- 6. This Tentative Agreement concludes negotiations for the 2016-2017 year.

Re: Bid Analysis

Student Center Seismic Upgrade Project Gavilan Joint Community College District

Dear Frederick:

We are pleased to provide our analysis of the bid results for the above referenced project.

Gilbane reviewed the apparent low bidder's, Calstate Construction, Inc., bid and determined that they submitted a responsive bid and appear to be a responsible bidder. Calstate Construction, Inc. confirmed their base bid amount of \$885,777 and stated they would honor it.

Please refer to our analysis and findings below for more detail.

Bid Analysis

The following items were considered in our bid analysis:

- 1. Comparative Pricing
- Bond Review
- 3. Company History & Experience
- 4. Bid Form Review
- 5. Reference Check
- 6. Contractor License Check

1. Comparative Pricing (See attached Bid Tabulation Form)

A.	Estimate	\$750,000
В.	Low Responsive Bid	\$885,777
C.	Average Bid	\$1,127,792
D.	High Bid	\$1,280,000
E.	Number of Contractors Contacted	8
F.	Number of Plan Holders	5
G.	Number of Potential Bidders	5
H.	Number of Bidders	3

Bid Analysis Student Center Seismic Upgrade 10/28/16 Page 2

2. Bond Review

A. Contractor's Bid Bond

Calstate Construction, Inc. has provided a Bid Bond in the required amount of 10% of their bid amount. The surety is The Guarantee Company of North America USA. Their address is 1800 Sutter St. Suite 880, Concord, CA 94520. The contact number is (925) 566-6040.

B. Contractor's License Bond

All California contractors are required to file a bond with the State in the amount of \$15,000. The bond number is 220408 and the effective date is 01/01/2016 with Suretec Indemnity Company. Their address is 1330 Post Oak Blvd., Suite 1100, Houston, Texas, 77056.

3. Company History & Experience

Calstate Construction, Inc. is familiar with the Division of State Architect (DSA). Cal State Construction, Inc. has performed worked at many community college's and K-12 schools throughout the bay area. To name a few are Foothill - De Anza Community College District, West Valley Mission Community College District and Cupertino Union School District. Calstate Construction was the General Contractor that renovated the CDC Building in 2016. They meet the schedule and project budget with success and a positive outcome to the project.

4. Bid Form Review

A.	Contractor's Proposal Form	No Exception Taken
B.	Bid Pricing	No Exception Taken
C.	Addenda Acknowledgement	No Exception Taken
D.	Contractor's License Information	No Exception Taken
E.	Subcontractor's List	No Exception Taken
F.	Non-Collusion Affidavit	No Exception Taken
G.	Bid Security	No Exception Taken
H.	DIR Registration	No Exception Taken

5. Reference Check

- A. Art Heinrich from Foothill-De Anza Community College District worked with Calstate Construction, Inc. on a few renovations projects at Foothill College. All projects consisted of renovating existing buildings. Art mentioned that they were cooperative and team oriented and had minimal problems with budget or schedule. Art said Calstate Construction, Inc. work quality was great. Art said he recommends Calstate Construction, Inc. for the CDC Interior Renovations Project.
- B. Mark Finney from Sugimura & Associates worked with Calstate Construction, Inc. on a few renovations projects. Calstate Construction, Inc. quality of work was excellent. Mark stated they were very satisfied

Bid Analysis Student Center Seismic Upgrade 10/28/16 Page 3

with Calstate Construction, Inc. work ethics and had a positive experience working with Calstate Construction, Inc.

6. Contractor License Check

A. License Number: 856043

B. License Status: Current and Active

C. License Issued to: Calstate Construction, Inc.

Corporation

D. Expiration Date: 3/13/17E. County of Incorporation: Alameda

F. Claims Against License: No citations or cases on record

G. Type of License(s): A – General Engineering Contractor

B – General Building Contractor

If you have any questions or concerns, please do not hesitate to contact us.

Sincerely,

Donna Martin

Administrative Services Consent Agenda Item No. Information/Staff Reports No. Discussion Item No. Old Business Agenda Item No. New Business Agenda Item No. III.1 (k) SUBJECT: Coyote Valley Educational Center Increment #2, Change Order #3 Resolution: BE IT RESOLVED, Information Only Action Item Proposal: That the Board of Trustees authorizes the third Change Order request for the Coyote Valley Educational Center Increment #2. Change Order #3 in an amount of \$140,369.65. The Original Agreement to Meehleis Modular Buildings, Inc. was \$6,481,454. The combined cost of Change Orders #1, #2 & #3 is \$312,014.65 or 4.8% of the original construction contract price, and leaves a \$336,130.35 balance in the construction contingency, and results in a total construction cost of \$6,793,468.65. Background: Public Contract Code § 20659 provides that if any change of a contract is ordered by the governing board of a community college district, such change shall be specified in writing and the cost agreed upon between the governing board and the contractor, and further provides that the board may authorize the contractor to proceed with performance of this change without the formality of securing bids, if the cost so agreed upon does not exceed ten percent of the original contract price. The following Change Order (CO) request has been submitted: Coyote Valley Educational Center Increment #2 Project Meehleis Modular Building, Inc., CO #3 for \$140,369.65. A detailed Change Order #3 table is attached for this project. **Budgetary Implications:** The efficient use of Measure E and local Lease Revenue Bond Funds. Follow Up/Outcome: Upon Board approval, the change order will be issued to the contractor. Recommended By: Frederick E. Harris, Vice President of Administrative Services Prepared By: Frederick E. Harris, Vice President of Administrative Services
