### **Report on Financial Statements**

We have audited the accompanying financial statements of Gavilan College Educational Foundation (the Foundation), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities and of cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### 1. ORGANIZATION AND REPORTING ENTITY

Gavilan College Educational Foundation (the Foundation) is a not-for-profit public benefit organization that provides support to various programs and functions of Gavilan Joint Community College District (the District), and provides a link between the District and the community. The District and the Foundation are considered related parties. Refer to Note 5 for transactions that occurred between the two entities during the year ended June 30, 2018.

The Foundation was organized for the purpose of providing financial assistance to students in need. The Foundation provides opportunities for members of the community to donate property and money for the express purpose, through scholarships, sponsorship, and other support, of helping deserving students receive a quality education.

In concert with the District and the community it serves, the Foundation commits itself to work toward educational excellence, and to assist in the implementation of the mission of the District to provide a supportive learning environment enriched by diversity, which promotes personal and professional success, leadership, innovation, responsibility, and a sense of community.

#### 2. SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** – The accompanying financial statements have been prepared on the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recognized when they are incurred in accordance with accounting principles generally accepted in the United States of America. The Foundation reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. At June 30, 2018, the Foundation has no permanently restricted net assets.

**Cash and cash equivalents** have been defined as cash and highly liquid short-term investments with original maturities of 90 days or less at the date of purchase.

The Foundation maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Foundation has not experienced any losses in such accounts. Management believes the Foundation is not exposed to any significant credit risk related to cash.

Contributions – Contributions are recognized as revenues in the period received or unconditionally promised, in accordance with professional standards. All contributions are considered available for unrestricted use unless specifically restricted by donors for future periods or specific purposes. Donor-restricted amounts are reported as increases in temporarily or permanently restricted net assets. Temporarily restricted net assets become unrestricted, and are reported as net assets released from restrictions, when the time restrictions expire or the contributions are used for the restricted purpose. Contributions of assets other than cash are recorded at their estimated fair value at the date of donation.

**Functional expenses** – The costs of providing the program and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and activities benefited.

## NOTES TO THE FINANCIAL STATEMENTS YEAR ENDED JUNE 30, 2018

Tax status – The Foundation is exempt from federal income and California franchise taxes under Section 501 (c)(3) of the Internal Revenue and corresponding California state codes. Accordingly, no provision for income taxes has been recorded in the financial statements. The Foundation has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) of the Internal Revenue Code.

The Foundation applies the amended accounting principles related to accounting for uncertainty in income taxes and has determined that there is no material impact on the financial statements. With some exceptions, the Foundation is no longer subject to U.S. federal and state income tax examinations by tax authorities for years prior to 2014.

**Use of estimates** – In preparing financial statements in conformity with accounting principles generally accepted in the United States of America, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses during the reporting period. Actual results could differ from these estimates.

**Subsequent events** – Subsequent events have been reviewed through March 4, 2019, the date the financial statements were available to be issued. Management concluded that no material subsequent events have occurred since June 30, 2018, that require recognition or disclosure in the financial statements.
