Update course. Add student learning outcomes.

DISTANCE EDUCATION - FORM D**CD 15****Music and Movement for Children****1 Unit, 1 Lec**

Justification: We would like to increase the number of hybrid courses we offer in child development so teachers can continue to take curriculum classes while they are teaching. In-service teachers often have schedules that make coming to face-to-face classes difficult.

CD 16**Exploring Mathematics for Children****1 Unit, 1 Lec**

Justification: We would like to increase the number of hybrid courses we offer in child development so teachers can continue to take curriculum classes while they are teaching. In-service teachers often have schedules that make coming to face-to-face classes difficult.

CD 17**Exploring Science with Children****1 Unit, 1 Lec**

Justification: We would like to increase the number of hybrid courses we offer in child development so teachers can continue to take curriculum classes while they are teaching. In-service teachers often have schedules that make coming to face-to-face classes difficult.

GEOG 2**Cultural Geography****3 Units, 3 Lec**

Justification: Offering this course online will allow greater access to the curriculum. Out-of-area, full-time employed, and other off-campus students will be able to complete the course.

MODIFICATION TO CATALOG

Double counting of Major courses and General Education courses

Change page 51 of the catalog under "General Education":

FROM: "Courses completed to satisfy general education requirements for an associate's degree cannot also be used for the major unless so specified and beyond the 18-unit minimum."

TO: ""Courses completed to satisfy general education requirements for an associate's degree can also be used for the major unless otherwise specified and beyond the 18-unit minimum."
