A variety of activity courses are offered to meet the interest and needs of all students as they fulfill the general education requirements, physical education graduation requirements, or their desire to maintain lifetime fitness.

An Associate of Arts Degree with three options of study - Education, Sports Management, and Sports Medicine - is available. The AA degree can be obtained by completing a total of 61-69 units, including the 24-28 unit major general education requirements and electives. This program is also designed to allow students to transfer into baccalaureate programs in physical education or related areas.

Professional fields include teaching, coaching, athletic training, physical therapy, exercise physiology, motor learning, sports management, sports psychology, and personal fitness trainer. These careers would involve employment with educational institutions, commercial health clubs and other private and public fitness and sports centers, working in recreation departments, and working with sports teams.

Gavilan College offers a variety of intercollegiate sports for men and women. We compete in the Coast Conference which is a member of the California Community College Athletic Association. Acting students perfect teamwork skills and gain self confidence through projects and public performances. Acting and theatre shows one how to take risks, how to use focus and concentration, and the tremendous power of commitment to a project or a play. Studying acting allows one to change themselves, using their own personal experiences to create new characters and existences.

The Acting option prepares students for a career in the public eye, whether onstage, in front of a classroom or television camera, or making presentations for large groups or conventions. Students completing the Acting Option are also prepared to transfer to a four year BA program in Acting or Performing Arts. Gavilan theatre art students have recently been accepted for transfer to San Jose State, Cal State Hayward and U.C. Davis and U.C. Berkeley.
