V. Discussion/Information

A. Physical Education and Athletics Department Name Change

This proposal has made its way through the various shared governance committees on campus, including approval by the Academic Senate. Other community colleges across the state have recently made this change - Cabrillo did so last year in time for their new catalog. Kinesiology is the art and science of human movement. KIN will be the new course designation. It will require all PE Courses to be re-created as Kinesiology courses, then resubmitted to the Chancellor's Office. It is more than just a "name thing" - it is more professional and brings our degrees in line with the degrees at the 4-year and graduate level. Students would receive an AA in Kinesiology with an emphasis in either the Education Option, Sports Management Option, or Sports Medicine Option. This will be an action item at the next Curriculum meeting.

B. Suggestions for Future Discussion Items

Please call or email Susan with any suggestions you have. Susan asked if there was still interest in looking at Blooms or the other taxonomies that are out there.

C. Update on SB 1440 and C-ID - Jesse

Jesse was not at the meeting. We will bring this item back at another meeting.
