UC/CSU INTERSEGMENTAL GENERAL EDUCATION

Completion of all the requirements in the IGETC will permit a student to transfer from a community college to the California State

University or the University of California without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. All areas must be satisfied, and **all courses** must be completed with a **grade**

of "C" or better before the IGETC can be certified. See requirements for partial IGETC certification in catalog. A student is strongly advised to complete a total of 60 transferable units before transferring. These will include the IGETC requirements, "major" prerequisites, and elective elective courses if needed. (Students must request an IGETC certification from the Office of Admissions and Records before transferring.)

SPAN 2B	Intermediate Spanish	(5)
-SPAN 12A	Spanish for Spanish Speakers	(5)
-SPAN 12B	Spanish for Spanish Speakers	(5)

CSU Graduation Requirement in U.S. History, Constitution and American Ideals

Not Part of IGETC. (May be completed prior to transfer.) For the baccalaureate degree, CSU requires one of the following combinations: HIST 1 & 2, or POLS 1 with either HIST 1 or 2.

CSU campuses have the discretion whether to allow courses used to satisfy the CSU US History, constitution and American ideals (AI) graduation requirement to count in both areas 3B or 4B and to meet the graduation requirement.

SUPPLEMENTARY NOTES

- A single course, even though listed in more than one place, can only be used to satisfy one subject area of the IGETC.
- 2. IGETC is not advisable for high-unit majors, e.g. sciences, engineering.
- 3. Revelle College at UC San Diego does not accept the IGETC.
- IGETC may not be appropriate for students who have completed courses at a CSU or UC campus.
- 5. "Double counting" of courses toward the major is not limited by the IGETC, but may limited by other directives. The UC will also allow IGETC courses to count toward major requirements. CSU campus limitations on double-counting of general education courses toward major preparation are not changed by the IGETC.

LEGEND

~ Transfer credit may be limited by either UC or CSU or both.

Please consult with a counselor.

* Courses listed in multiple areas shall not be certified in more than one area except for courses in Languages Other Than English which can be certified in both areas 3B and 6A

CSU STEM MAJORS

Approved CSU ADT (Associate Degrees for Transfer) in Biology and Chemistry requires one less class in Area 3 and one less class in Area 4 (in different disciplines).

LOTE is not required for IGETC certification.

* Approved for Fall 2021 Consult with a counselor as changes occur. Revised July 2021
