### **Instruction**

#### **Vision/Narrative**

The Business program at Gavilan College prepares students to succeed in a diverse global society by offering an education focused on relevant business subjects and current technology. We invite students to envision and achieve their personal educational goals, including employability, transfer to four-year institutions, and life-long learning.

The program offers degrees and certificates in Accounting, Medical Office, General Business, General Office Skills, Economics, and Retail Management.

The ACCOUNTING program offers classes that prepare students for transfer to a four-year university, as well as classes that concentrate on specific occupational skills.

#### **Feedback from Supervisor / Dean**

What is the overall intent of rebuilding enrollments? Is it to increase the number of graduates/transfers in the program? What is the current number of graduates/transfers in this area? What is a reasonable number compared to the labor market projections for needing additional graduates in this area? What is the impact of 4 year schools in accepting our transfers? Are they full or ?? KMoberg

This objective has been resubmitted since 2011, with no additional information. The vision and narrative are copied from the college catalog. The reduction in sections mentioned does not appear to have limited awards nor majors, which have grown over the last five years. -Wruck
