Vision/Narrative

The MIS Department at Gavilan provides support for the technology and information system needs of the District. This includes daily operations and technical and user support for all campus computing sites, networking, telephones, voice mail, email, general use software, and networked student labs. We are also responsible for system security, virus protection, web site administration, upgrading of all sites hardware and software, providing standard and specialized reporting, and providing the data files for the Chancellor's Office MIS Reporting requirements.
