### **Instruction**

#### **Vision/Narrative**

The Music Department maintains a place at Gavilan College as an avenue for nurturing the broad and passionate interests to performers, composers and theorists. At Gavilan College all these aspects form a community dedicated to furthering the knowledge and passion for music. The Music Department offers a wide range of courses for students seeking professional careers in music, as well as those seeking enrichment. Specific areas of focus music theory, history, song writing, electronic music/digital audio and piano, vocal, guitar. The music curriculum provides a program for the students who wish to (1) pursue an advanced degree in music, (2) broaden a general knowledge of music, (3) develop performance skills, (4) become a professional musician, (5) prepare for a career as music educators, (6) prepare for a career in digital recording. The experienced instructors create an environment that both fulfills General Education Requirements and offers students intensive preparation for transfer into both university and vocational level programs.

#### **Feedback from Supervisor / Dean**

As many of the activities have been completed, I have only ranked these that have still not been completed.
