

Hollister Site

Student Services

Vision/Narrative

The Mission of the Hollister site of Gavilan Community College is to provide a nurturing and inviting environment where students and the community can receive quality customer service, programs and support to encourage life-long learning through education, career and vocational training.

Feedback from Supervisor / Dean

With the passage of the bond, further developing the image and impact of the college in San Benito will be essential. The site director will play a part in this, and should serve on planning and enrollment committees to represent the needs of the community.
